## TIPS & TRICKS

- *Exercise* is one of the best ways to relieve stress as well as consolidate studied material!
- *Quiz yourself* with a study partner to better master course material!

***"Never let it be said that you didn't give it your best shot."***

With the end of the quarter coming up, remember that taking care of yourself is just as important as studying. Stay healthy, de-stress, and do your best.

**Good luck on finals! Love from, your fellow peer advisors at Revelle College**
