

Revelle Academic Advising  
Presents...

# The Peer Review

Spring Quarter 2014

Hello, thank you for reading our first newsletter! Here you will be able to connect with your fellow peer advisor! We'll help offer some tips on fun classes to take, cool places to visit, and interactive professors to take. If there is anything you would like us to review, please let us know at (858) 534-3490. Find us on Facebook by searching Revelle College Academic Advising.

## Who are we?

The Peer Advisors include Holly Baijnauth, Andre Mota, Soren Nelson, Stephanie Sayegh, and Cyrus Steele. We are here to provide walk-in and virtual academic advising to Revelle College students. We help create, plan, and implement advising programs and workshops. We serve as ambassadors and are here to assist staff with outreach efforts.

## Restaurant of the Week

This week, the Peer Advisors went to brunch at Cody's in downtown La Jolla. We recommend students come early to avoid a long wait. The food overall was great and fairly reasonable, but the service was a little disappointing.

## Humanities Tips!

- Stay on top of the readings!
- Go to class and participate in sections.
- Visit TA during office hours.
- Discuss readings with classmates and take good notes!

## Quote of the Week:

If you can dream it, you can do it.

-Walt Disney

Walt Disney was once fired by a newspaper editor for "lack of creativity."
