VALUES

Caring • Commitment
Empowerment • Respect
Inclusivity • Integrity
Professionalism

ACADEMIC ADVISOR RESPONSIBILITIES

What you can expect from your academic advisor:

- Understand & effectively communicate the Revelle College general education curriculum & university requirements, academic regulations, policies & procedures.
- Collaborate with students to define & develop realistic educational goals.
- Assist students with creating an academic plan consistent with your abilities & interests.
- Be an institutional guide about UC San Diego resources & make appropriate referrals.
- Provide a welcoming, non-judgmental & accessible environment where you can share your academic thoughts & concerns.
- Maintain confidentiality and be knowledgeable of the Federal Educational Rights and Privacy Act (FERPA).

Drop-In and Appointment Advising:

Revelle is available for drop-ins and appointments during various times during the academic year and summer. For the most updated availability, please visit our website:

STUDENT ADVISEE RESPONSIBILITIES

What your academic advisor can expect from you:

- Regularly use all [TritonLink Tools](#) & be aware of academic calendars & deadlines.
- Connect with academic advising proactively & regularly to develop & adjust your academic plan.
- Be open-minded when reflecting & discussing your educational progress & goals. Accept responsibility for your decisions & actions.
- Bring questions & academic concerns to any advising interactions. Notify advising if you notice any errors on your record.
- Follow up with recommended referrals & resources made by academic advising.
- Monitor UC San Diego email & Virtual Advising Center daily for communication from university faculty, staff & administration.
- Always exhibit mutual respect in compliance with [UC San Diego's Principles of Community](#).

YEARS AT A GLANCE

FIRST YEAR

Learning Outcome:
Transition & adjust to college academics.

- Read your course syllabi, gather any course materials.
- Review [academic integrity](#) and [university policies and procedures](#).
- Adjust your study habits to fit the pace of the quarter system by developing a weekly schedule.
- Establish healthy self-care routines.
- Connect with one or two classmates in each course to form study groups or join study groups with the [Teaching & Learning Commons](#).
- Attend office hours with faculty and teaching assistants (TAs) and become comfortable with [asking questions](#).
- In winter quarter, review your major's [Four Year Plan](#) and develop an academic plan with your major department and Revelle academic advisors.

SECOND YEAR

Learning Outcome:
Get involved & academic/career exploration.

- Meet with your major department to determine your interest and progress in your major.
- Declare a major before you reach 90 units.
- Meet with Revelle Advising to evaluate progress on general education & university requirements.
- Explore [internships](#), [research](#) and/or [job opportunities](#).
- If you are planning to [study abroad](#), start planning early.
- Become involved in co-curricular activities to enhance your [Co-Curricular Record](#).
- Participate in Revelle College's [Faculty Mentor Program](#), take advantage of Dine-With-a-Prof and Coffee-with-a-Prof [programs](#).

THIRD YEAR/TRANSFER YEAR

Learning Outcome:
Identify & take steps towards academic, professional & personal development.

- Review your academic plan and degree audit with your major department and Revelle academic advisors.
- If interested in graduate programs, utilize the [Career Center](#) to discuss academic plan and any pre-requisites.
- Plan when to take graduate/professional school admission exams.
- Continue to build leadership skills by applying for [internships](#), [research](#) and/or [study abroad](#) opportunities.
- Network by meeting with professionals in your interested career fields.
- Boost curiosity by learning new skills and hobbies.

FOURTH/FINAL YEAR

Learning Outcome:
Reflection, graduation & transition into life after college.

- Review your academic plan and degree audit to determine graduating quarter.
 - If you have any questions, confirm graduation requirements with major advisor and/or Revelle Academic Advising.
- [Apply for graduation and register for commencement](#).
- Identify mentors and professional connections willing to write letters of recommendation and serve as a reference.
- Prepare and take appropriate standardized exams for admission into graduate or professional program.
- Utilize the [Career Center](#) to establish post-graduation plans:
 - Update resume
 - Practice interviewing skills
 - Attend workshops and fairs
- Reflect on your college experience and lessons learned. Be prepared to share in personal statements and interviews.
- Create a [Tritons Connect](#) account to meet alumni.
