- ❖ Future College
 - UC San Diego Government Affairs Office is collecting input from students, let us know if you would like to contribute!
 - Many misconceptions on this project, it is important to spread accurate information
 - VPCA Melina Reynoso is also on the 8th College Workgroup, so she can help answer any questions/address any concerns
- ❖ Once again: AVP, four Senator & AS Records Officer applications are live, so you can get involved in AS!
- ❖ \$1 billion is available from the government for Hispanic-Serving Institutions (HSIs), but UC San Diego does not qualify as one
- ❖ Another reminder: you can apply for student organization funding!
 - Webinar with CSI, Financial Controller Ethan Christensen & Senior AVP of Student Organizations Nick Butler will be recorded & available to watch
- ❖ Fall Funding
 - No way to do student organization funding for the fall yet, due to changes to the capacity for all rooms/facilities
 - May 29 deadline to apply for funding for the first five weeks of fall has been postponed to the summer
- ❖ The Senate unanimously passed a resolution condemning acts of hate on campus
- ❖ UC PATH
 - Will present to the Senate next week about the rollout of the program at UC San Diego
 - Will be implemented by June, other UC campuses had issues with the rollout
- ❖ Sexual Assault/Harrasment
 - New rule changes (from the Department of Education) will allow for the accused to cross-examine the accuser in hearings
 - Definition/scope of assault will also be changed
 - Must be implemented by mid-August
 - Lawsuits and an injunction has been anticipated

E. Associated Students Revelle College Senators [Jacob Rodriguez & Mihir Pandya]

❖ UCPATH

- Single payroll, benefits, human resources and academic personnel solution for all UC employees
- Will be implemented on June 1
- Focus on testing, communication training, data and immediate pay in order to ensure smooth functioning at UC San Diego
- For testing - conversion testing, payroll parallel testing, user testing, metrics/dashboard, data
- For communication training - user training, student employee education, communication channel, student engagement, paycheck
- Students: self-register for Business Systems account (if needed), contact Payroll Office to change information before June 1, enter time in EcoTime before cutoff date, & check access in order to manage logistics on platform on June 1
- For immediate pay - rapid response center, early detection, student fast lane, pay cards
- UC San Diego will issue payment locally if there is a problem

❖ UC Regents

- Meeting next week, will be voting on a variety measures, including basic needs provisions, UCOP budget & entrance exams for upcoming years

❖ Admissions

- UC Regents thinking of phasing out SAT/ACT over five years & replacing it with a UC test
- Committee is opposed to this reform right now, believing it is too soon

❖ IdeaWave campaign for UC San Diego as an HSI

❖ Academic Senate does not seem inclined to extend P/NP grading option flexibility afforded this quarter into the summer

❖ CARES Act Funding

- CARES Act funding already deposited into the accounts of students whose EFC is \$0 (~6000 students) as well as those whose EFC is less than \$1000-2000 (~7000 students)
- CARES money already almost entirely allocated

❖ Still no update on CAPS Fee Referendum voting threshold

❖ AS funding webinar is available to watch for information about funding in the fall

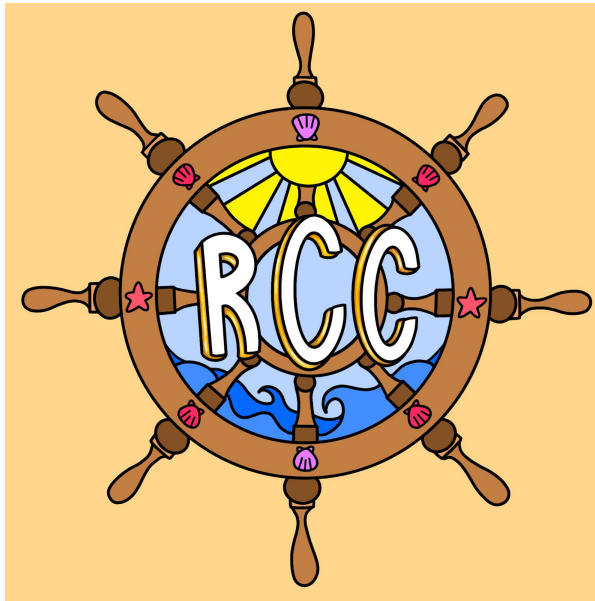

❖ Educational Continuity

- Presentation to Educational Continuity Workgroup by epidemiologists & public health experts on campus
- Schedule of classes will be released soon to reflect remote education and social distancing
- University is working for all new students to have at least 50% of classes not remote
- Modeling will aim to control mini-outbreaks as they arise, not to stop them entirely
- Mandatory quarantining is being considered, but lawyers are being consulted first about the legality of different control measures
- Global health team may come in to answer questions

 - ❖ I have nothing to report.
 - D. **Vice President of External [Brian Chris Donovan]**
 - ❖ Nothing to report
 - E. **Associated Students Revelle College Senators [Jacob Rodriguez & Mihir Pandya]**
 - ❖ Chancellor Khosla is among the ten UC chancellors, along with UC President Janet Napolitano, taking a voluntary 10% pay cut to help offset losses from the pandemic
 - ❖ Admissions Testing

- UCOP motion to phase out SAT/ACT & replace it with UC Regents test (wow, that was fast)
- The SAT/ACT will be phased out and fully replaced over a five year period
- ETS, the developer of the SAT, among other exams, would help develop this exam
- The UC Regents had commissioned a Standardized Testing Taskforce has been researching how to address issues associated with the SAT/ACT, and they have concluded there is no way to improve standardized testing
- The UC San Diego Admissions Committee believes UCOP interpreted this incorrectly, believes this is a political move and will likely draft their own resolution against it
- ❖ The Academic Senate will likely approve the capped major system permanently & therefore Admissions Committee will be making some specific recommendations about what this system should look like
- ❖ Return to Learn & Epidemiology
 - Meeting with epidemiologists who are working on the modeling and development of policies in the “Return to Learn” plan for reopening campus
 - Testing efforts on campus began for symptomatic people only
 - Very few students have needed isolation housing, since the number of cases on campus have been very low
 - San Diego seems to be doing well in managing the outbreak of the virus
 - The major problem for San Diego is how the virus is spreading concerningly in Tijuana
 - UC San Diego is providing the tertiary care hospital which is treating a lot of severe coronavirus patients
 - For UC San Diego testing, students have to be identified first
 - Nasal swab tests are being used right now (both nostrils)
 - May switch to saliva testing, but Return to Learn will finish nasal swabs
 - The university has to test a large number of students for any successful reopening, and it is important to do it through self-testing to preserve PPE
 - App modified to allow tracking test results, based on a QR code on the bag with the sample, but label is there anyway with identifiable information
 - There will be no mandatory quarantine for students coming from elsewhere
 - Temperature checks are not effective solution, due to the incubation period before displaying symptoms and asymptomatic cases
 - The current Return to Learn program requires a smartphone (on campus residents) to check results of testing
 - Isolated students have meals delivered & get calls from SHS once a day
 - The campus labs are developing their own tests
 - The contact tracing infrastructure is quite strong and is good to go
 - This whole screening process is for non-symptomatic people, symptomatic people have to go to a provider
 - False positives not a problem for nucleic acid testing (only way that this could happen is with mixing up samples OR contamination)
 - The antibody tests being administered by UC San Diego are good
 - False negatives are a problem with biology, as the virus has not made its way up to the nose or mouth
 - Waiting longer to reopen does not necessarily make sense because of a fundamental uncertainty
 - The model itself and other information from this epidemiological team should be released soon
- ❖ AS end of the year feedback survey coming, \$10 gift cards will be given to the first few hundred participants
- ❖ There will be an update soon on P/NP grading soon for the fall
- ❖ Campus privacy and security experts are coming in to present to the Senate next week, so if you have any questions regarding those subject areas let us know!
- ❖ Relief Funds
 - The Senate, after long a discussion, unanimously approved a \$1000000 financial relief effort yesterday, which allocates money for disadvantaged students for financial relief due to COVID-19

- Four funds of \$250000 are being established to distribute grants for undocumented students, international students, students with basic needs, and support for CAPS
- Campus partners like the Office of Financial Aid & Scholarships will aid in the distribution
- F. **Director of Spirit and Events [Khai Williams]**

 - Approved 9-0-1
 - ❖ Gavel for RCC
 - Approved 9-0-1
 - B. **Revelle Organizations Committee [Dereck Garcia]**
 - ❖ No in person involvement fair, move to online sessions for promotion of Revelle orgs and programs hosted by all chairs and representatives
 - Most likely winter in person
 - ❖ Not all orgs have Chairs due to pandemic, will most likely recruit during Fall Quarter
 - ❖ Will have budget submitted by Monday for incentives for online involvement fair
 - ❖ Move to appoint Dereck Garcia as ROC; Approved 8-0-1
 - C. **Rules Committee [Westin Gibbs]**
 - ❖ Nothing to report
 - D. **Appointments Committee [Carlota Conant]**
 - ❖ **Third Year Representative: Alexandra Babakanian**
 - Very big team player
 - Has a lot of experience with organizing events through other Revelle organizations like RCO and ELP
 - ❖ **Fourth Year Representative: Sierra Crenshaw**
 - She has a lot of experience with organizing events through ELP and having been a student activities intern
 - Wants to connect 4th years through celebrations
 - ❖ **Transfer Representative: Katelynn Rowley**
 - Spoke a lot about her experiences as a transfer and mentioned how shes gotten connected with admin like Dean Sherry, Grace, Janet and attended events like transfer tuesday. She's looking to improve connections with transfers and our college by tackling things from the start (when students first step on campus)
 - Will be in her 5th year so she doesn't have a lot of other obligations. She wants to give RCC her 100% effort
 - ❖ **Commuter Representative: Adela Chavez**
 - Very passionate about helping others and getting them connected
 - I feel that she will do a phenomenal job in breaking the disconnect commuting students may feel from campus
 - ❖ **AS Senator: Andrew Shen**

- Is very familiar with roles of RCC and AS, even attended an AS meeting before
- Works well with others and can handle conflicting/differing opinions
- ❖ **RCC: Derek Garcia (our interim!)**
 - Very experienced working with other people and organizing events. He has a very good relationship with Melina and Janet which the committee felt is very important in a position like this
 - Provided really awesome examples of mediating conflicts through his leadership experiences with his dance team
- ❖ **RFAB: Tasnia Sharia**
 - Wants to improve college pride and heighten community in Revelle
 - Seemed like someone very open to input!
- ❖ **EDI Rep: Iffat Alam**
 - She has an amazing sense of cultural awareness and the sensitivity of topics that fall under EDI.
 - Very well spoken. She mentioned that when others have differing opinions her goals are to educate and find compromise because she recognizes when one should stop pushing and focus on what outcome will provide a greater good
 - Has a lot of great ideas with promoting cultural awareness in the events we host quarterly!
- ❖ **Basic Needs Advocate: Taixin Wei**
 - Super enthusiastic and passionate!!
 - Greatest strength is communication and what they want to focus on is the student disconnect with basic needs resources.
 - He's done his own small part through emailing the basic needs hub and triton food pantry about ways to get involved and help. Mentioned in their interview that he donated a lot of stuff since he knew he couldn't keep it with him because he was flying back home to China. Plus, he encouraged a lot of his international friends to do the same!
- ❖ **ASCE Rep: Suleyma Villa**
 - Although she didn't apply for ASCE, we still wanted her on council as she seems like someone is very ready to get involved.
 - Hard working and persistent and carries a lot of qualities that would make a great leader amongst council in the future!

[\[https://evc.ucsd.edu/units/privacy/index.html\]](https://evc.ucsd.edu/units/privacy/index.html)
 - Most privacy laws allow for personal information and data to be used for public health initiatives, but there are general transparency requirements (you have the right to consent!)

- Programs are limited to the duration of the emergency
- Current focus of the office is the reopening of campus
- There will be upcoming information sessions and privacy trainings if anyone wants more information on privacy
- UC Privacy Officers regularly meet with Zoom Privacy Counsel to discuss privacy concerns, and alternatives to Zoom are being reviewed
- ❖ Fill out the feedback survey for AS - no more gift cards are available, but your feedback is important to express what you want to see AS do!
- ❖ Education Continuity Taskforce is working on a schematic to outline local, state and federal health guidelines about what is and is not allowed as campus reopens
- ❖ Transportation
 - TS will release information soon about safe practices while riding the bus given the global pandemic

- ❖ Did everyone get the email I sent out on Tuesday?

D. **Vice President of External [Brian Chris Donovan]**

❖

E. **Associated Students Revelle College Senators [Jacob Rodriguez & Andrew Shen]**

We hope you are doing well. The Senate had 2 meetings this past week, and we have some important updates from it to share with you all.

Academic Senate voted to extend ability to change grading option until Week 11

- until Friday of finals week
- Last Saturday, student-led movement to make final exams more lenient/accommodating, met with vice-chancellor and ABP of academic affairs
- meeting was zoom-bombed, including black student union in upcoming meetings, ABP of academic affairs moving three proposals (universal pass option, P/NP retroactively, grade freeze after May 26)

AS President collaborating with Black Student Union

- President Giangtran is working with the Black Student Union to help encourage professors to practice compassion during this time and encouraging more leniency during finals week.
- Planning on working with the admin from the return to learn program to expand it to students who are participating in the protest happening right now to show ucsd solidarity to this situation.
- professors usually respond to students that they "don't have the power," however professors actually tons of rights can do whatever they want, as outlined in letter from academic Senate
(<http://senate.ucsd.edu/current-affairs/news-announcements/support-for-students-during-finals>)

ZoomBombing Incident

- Found the person's internet address, perpetrators not from UCSD, website for links
- Three steps that caused incident
 - The meeting was unintentionally shared on social media
 - The meeting was not restricted to authenticated users
 - The host's personal meeting ID was used, allowing the bombers to remain in the meeting.
 - Outcome: Based on the data we have, the responsible parties were not members of the UCSD community and all connections were made from within the Middle East.
- The FBI was brought in on the investigation
- Response
 - ITS: determines identity of responsible parties
 - Community response: equity, diversity, inclusion (EDI); student affairs, OPHD
 - Violence: ITS shares reports with UCPD and FBI
- Prevention

- Closed meetings: known communities, only authenticated users, don't use personal meeting ID
- Open meetings: public access, use password, waiting room, again don't use personal meeting ID
- What to do
 - Meeting owner should block and remove offending user
 - Save chat transcript and start recording, note names
- Report to "zombombing@ucsd.edu," attach chat transcript/recording, meeting ID and time; can also go advanced settings -> usage, for reports

Movement to abolish UCPD

- Students organized petition regarding abolishment of UCPD; UCSC cola strikes (300K for UCPD was used) , UCLA incident; names will be published if signed

Appointed new Financial Controller (Nick Butler)

Approved 2020-2021 SPACES budget

Appointed most of AVP (associate/assistant vice president) for AS

As always if you have any questions you can always message Jacob or Andrew.

VII. Reports

A. **President [Westin Gibbs]**

- ❖ Welcome back everyone, I hope you and your families are safe and happy.
- ❖ CCP Updates:

- SMHAC
 - Working with other councils for events
 - Attendance way down across colleges for Welcome Week stuff
 - College Council Covid-opoly
 - Tentative Dates:
 - October 13th or 20th from 5-6pm
 - Attendance not required but highly encouraged
 - ❖ [Google form](#) to check listserv and Facebook group status
 - ❖ Please don't hesitate to ask me for or about anything council or Revelle related, I am here for you!
- B. Vice President of Internal [Carlota Conant]**
- ❖ I have missed you all greatly
 - ❖ RETREAT
 - Weekend of Week 6? (November 6-8th)
 - ❖ FACEBOOK
 - Is everyone on the page??? (because I'm pretty sure we're missing people)
- C. Vice President of Administration [Diana Al Dikka]**
- ❖ Hope everyone is staying safe!
 - ❖ Remember to fill out the absence request if you are not able to attend a meeting.
 - You're allowed 1 unexcused and 4 excused absences per quarter.
 - ❖ Little food Pantry
 - Student organization that provides non-perishable food items
 - Deliver food to students who live in the UCSD area on the weekends
 - <https://docs.google.com/forms/d/e/1FAIpQLSdmL4fZUi07Ois6qqMhPu7U763rbdLZ5kn-cA6f1sGPqIPCsg/viewform>
- D. Vice President of External [Brian Chris Donovan]**
- ❖ Nothing to Report Hope everyone had a great summer!
- E. Associated Students Revelle College Senators [Jacob Rodriguez & Andrew Shen]**
- Hope y'all are doing well! In addition to yesterday's meeting, the Senate met a few times over the summer since our last update on 6/4, and we have some important updates from it to share with you all.

AS Budget

- Passed the summer budget early in the summer, controversial issue
- Budget revise occurring this next few weeks in Senate, must be finished by Week 5

Resolution to make Election Day a non-instructional holiday

- Initiative pushed by a Berkeley student, trying to gain support of all the UCs
- Considers out of state students whose states are not as lenient of mail-in voting
- Lack of voting access disproportionately impacts lower-income areas, communities of color, so this would increase access to these groups of people
- Hoping to make this every year on Election Day
- Senate agreed to the resolution

Transfer Project/ Series

- Every Wednesdays from 5-6pm
- Socialize with other transfers, learn from different offices and how they support transfer students
- Tell your Transfer constituents!

Off Campus Series

- 4 part series, starts October 12th, many resources for off campus students (different AVPs, representatives for student orgs and services)
- Tell your Off-Campus Constituents!
- Can put in contact with Senators hosting these events

Synchronous/ Asynchronous Attendance

- Confusion about new rule for virtual fall, whether attendance is mandatory; new form because there were many false reports of required synchronous attendance

- Sometimes syllabus said required attendance but provided accommodations for those who can't attend
- Set up times to meet with students who have more specific questions on what the professor is violating and how they are violating it so they can prevent these false reports

SILO Act

- Large piece of legislation regarding separation of power between executive and legislative (inner workings of AS not that important!)
- Concern that executive members' opinions hold more influence in Senate
- The Senate will be continuing to discuss this, but since there is pretty good support for it, we'll probably be voting on it Week 3 or 4 of fall quarter

Let us know if you have any questions!

F. Director of Spirit and Events [Khai Williams]

E. **Associated Students Revelle College Senators [Andrew Shen]**

We hope you are doing well. We have some important updates from it to share with you all.

“Thrive” Health Coaching Program

- Supposed to be sunsetted, instead revived and remodeled to provide support (not counseling) for students
- For students by students
- Unique opportunity for students to receive professional training in the health field
- 1-on-1 sessions with professionally trained peer coaches
- Social justice to help support our diverse community; relatable experience with coach
- Extensive training and compensation for coaches, great for pre-meds
 - Hiring begins Winter Quarter
- Difference between counselor and coach, not taking on your students problems (not counseling), emphasis in intersectionality
- Plans to expand after this year, more coaches, course credit, additional avenues of access
- Hope to combat UC Socially Dead and loneliness, alleviate demand from CAPS (mental health fee referendum), students more likely to talk with a peer, covid 19 created even more of a demand for mental health care
- Possibly pairing with Campus Affairs for long term funding, currently up in the air

Triton Commuter Club

- Project put on by AVP of Transportation with a few other senators
- Offers rewards in an incentive system to increase sustainable commuting
- Email sent out outlining the details

Reminder on SILO Act

- Pushed back for the time being, aiming to be voted on by end of fall quarter

 - May set specific Line Items for SIP Committees later this year
 - Clerical changes
 - ❖ Move to approve the changes
 - *Approved*; 12-0-1
 - ❖ Preparing a presentation for Retreat (date TBD)
 - D. **Appointments Committee [Carlota Conant]**
 - ❖ I'll have Diana add my notes after meeting :^)
 - ❖ First year Representatives
 - Rin
 - she says her biggest weakness is lack of leadership experience, but we saw a sense of passion in her
 - she was also very kind and authentic, LOVED her response to wait leadership meant to her
 - seemed very open to learning and motivated to be a wonderful first year rep
 - Kathleen
 - we felt she would work really well with Rin and that together they'd make a great duo

- She applied for SMHAC and she has a passion for mental health awareness. I think especially in the midst of a pandemic she would do very well with programming and representing her peers
- ❖ LSAC
 - Nikita
 - I hope she accepts this position!
 - She applied only for first year rep and I loved her. Overall the decision for the first year rep was really difficult.
 - She seems earnest and hardworking, I think she'd be a great LSAC rep and hopefully with accepting this position she'll gain experience with council and be motivated to apply again/even run for an elected position
- ❖ OOS
 - Anika
 - Her first choice was LSAC, but honestly she was the only out of state individual we interviewed. Overall she seemed like a very sweet gal
- ❖ CEO
 - Rachel
 - I think this was the hardest decision to make. I love the amount of experience she has with leadership, the ideas she had for engagement, and that she has shown initiative with coming out to our council meetings as a member of the public.
 - I think overall, I couldn't see her working with the other candidates. But i do think that she'd make a great member of the council and hopefully will continue with us
- ❖ SFAC
 - Chase
 - We all know and love Chase. I trust he'd make a great SFAC rep especially with having spoken to Arbi about this and so he's pretty familiar with what the title consists of.
 - Plus... he was our only SFAC candidate
- ❖ AS Senator
 - Rosey
 - I think she'd get the job done, she was really kind.
 - We had another candidate, but overall we think she was a good team player and would best represent Revelle
- ❖ Move to vote by a unanimous consent to appoint Rin, Kathleen, Nikita, Anika, Rachel, Chase, and Rosey to their respective positions
 - *Approved; 11-0-1*

E. Associated Students Revelle College Senators [Andrew Shen]

We hope you are doing well. We have some important updates from it to share with you all.

Passed Fall Revision to Budget (Andrew)

- Passed and approved budget revise
- *Though we passed budget, the money is still under our control so we can make future changes if absolutely necessary

SSC Budget (Dereck)

- Increase in stipend, feels not appreciated for their work
- Justification is comparison of other directors
- Lots of debate
 - Comparable compensation rates
 - Wanted to table to week 7 pending HR review
 - Note made that Senator stipends were not tabled to allow HR review

Appointed new Advocate General

- ❖ WHY DOES EVERYTHING CLOSE WHEN IT ISN'T SUPPOSED TO !!!!!!!@!!!@!@

K. Transfer Representative [Andrew Leal & Katelynn Rowley]

- ❖ Enter the airpods give away @revelletransfer

L. International Representative [Jingran Xu]

- ❖ (My deepest apologies for not being able to attend meetings, my boss scheduled

work for me because that's the only time available and needed to be filled, and by the time I realised, it was already permanent.)

- ❖ ISPO and CSI had a dialogue circle on Tuesday on what international students think about the upcoming election and how it would affect them.
 - Most Chinese international student of both undergrad and grad level believe that it will have a great impact on their life as a student
 - The new student (singular) does not know what to think and "does not believe it will drastically change" his life.
 - All of them are worried about their visa.
 - The returning students said that they feel supported by the UCSD community. The example they gave was the period of time during summer 2020 when the government (TrUmP) issued reform that intl students not taking in person classes would be asked to leave the country (? I think that was the case) and they are very warmed by the student response/movement on social media.
 - Students of all backgrounds collected lists of in person classes for intl students.
 - And more importantly, the intl students said, the most heart warming part was when a lot of domestic students were willing to drop their in person class so the international students could stay.
- ❖ **A massive "thank you" from the international students I met that night, directed to all the people in ucsd who tried their best to support them (like you all).**
- ❖ ISPO is now having monthly meetings on things regarding international student affairs, etc. They want all your inputs and questions if you have any.
- ❖ Idea: Revelle/RCC wechat for international students who can't access facebook in china?
- ❖ (Sorry for the spelling and grammar. typed this on my phone during break at work)

Campus Updates (Andrew)

- COVID testing will become weekly instead of bi-weekly starting November 30th
- Off-campus students need to continue to follow county guidelines

UC Carbon Offset Policy Proposal - Michelle Perez, Energy & Sustainability Manager
(Andrew)

- UC Carbon Neutral Initiative: reduce greenhouse emissions to 1990 levels by 2020, achieve carbon neutrality by direct UCSD sources by 2025, carbon neutrality by indirect UCSD sources by 2050
- UCSD relatively flat in emissions, not meeting 2020 goals, partially attributed to construction
- Energy efficiency retrofitting, very energy efficient in the new buildings
- All campuses looking at offsets to meet 2020 goals, UCSD included
- Are still prioritizing reduction of emissions, don't plan on relying on offsets for long term emissions goals

The Hub - Basic Needs Challenges (Rosey)

- <https://www.facebook.com/ucsdbasicneeds>
- 41% of UCSD self-identified to be facing food security challenges
- Handles food, housing, personal hygiene, CalFresh food benefits program (help students fill out applications)
- Shifted to zoom and pickup services because of COVID
- Focused on preventative and emergency relief services

 - ❖ i. The units will be judged in regards to two aspects:
 - ❖ 1. The impact of a program, which is how much the program filled a student need or served towards a campus goal, regardless of the financial cost to the student
 - ❖ a. Impact is further broken up into two categories of breadth and depth
 - ❖ 2. The value of a program which is the actual cost of the program and the net impact per each dollar spent
 - ❖ ii. Impact
 - ❖ 1. Breadth (1/3rd of the final score). Should be a measure of how many students are affected by/use this service
 - ❖ 2. Depth (1/3rd of the final score). Should be a measure of how deeply a student who utilizes this service is impacted
 - ❖ iii. Value
 - ❖ 1. 1/3rd of final score
 - ❖ 2. Should be a measure of how much we are paying for that impact.
 - ❖ 5. What are some comments/questions/concerns of this model? a. How are we going to make everyones number concept the same?
 - ❖ i. We will explicitly say what number each value is
 - ❖ b. No survey, ask CC and representative bodies
 - ❖ c. Breadth, how do we quantify?
 - ❖ i. How do we judge?
 - ❖ 1. How many students can you actually hit?
 - ❖ How many of these students exist at UCSD?
 - ❖ And how much of this population can this group hit?

- **HDH [Alan Apte]**

- ❖ Winter Waitlist
- ❖ Food Review

- **SFAC [Chase Hickey]**

- ❖ We mainly discussed the
 - The total score has three main components (Breadth, Depth, Value) all equally weighted at 1/3rd, being rated on a 1-10 scale each
 - B and D are considered the impact of the program on the student experience at UCSD
 - Value is the cost in relation to its impact on UC San Diego students
 - **Breadth.** Quantitative, how many students are affected by or use this service?
 - Consider how many eligible students enrolled / eligible students at UCSD
 - Ex: ISPO. only serve 25% of students since 75% isn't eligible/target
 - **Depth.** Measure how deeply a student uses this service is affected by it?
 - Quantified by the units pre/post program indicators
 - EX: ADA transportation.
 - **Value.** A measure of how much the cost matches the impact. Is it worth it?
 - Can you go off campus for it? How much is spent on a student in the program?
 - Ex: textbook that is \$130 for 1 quarter, vs. a \$20 textbook for the entire year.

 - Monday of Finals Week
 - Game night
 - Google Form - opportunity drawing
 - attending = another entry
 - 100 gift cards (i.e. Ralphs, Vons)
- ❖ AS on-demand (Rosey)
 - Form where student groups can request AS member to work with Org, can bring feedback back to AS
- ❖ Approved NY times budget (Rosey)
- ❖ Admissions Committee: System wide campus admission committee (Rosey)
 - Court order: UC can not use SAT/ACT for this and the next admissions cycles
 - Alternatives: Modified smarter Balance System/ Test: statewide standardized test
 - Scrapping statewide guarantee of top 9% have to be admitted
 - Numbers are rising, UCOP needs to take a look before releasing info
 - UCSD 2nd most applied UC school whoop whoop, so admissions did not decline with the pandemic
 - Working on systemwide system to open window of when students can submit their applications to relieve stress from admissions people
- ❖ Urban Designs (Rosey)
 - Trolley is going to open a year from now
 - Planning to build a new grand entrance to campus but the project proposal was delayed due to loss of funds with covid
- ❖ Update on P/NP Retroactive Ruling (Andrew)
 - Professor Geoff Cook (head of the Education Policy Committee) came to talk with us
 - Concerns for P/NP: seen as detrimental for careers and grad school. Reverted to “normal” deadlines at the beginning of the year
 - Only option that does not change regulations/ guidelines, is the petition route
 - Will try to be streamlined and not as troubling
 - Google form: not through instructor or department, will go through to the senate
 - Going from P/NP to Letter Grade
 - Cannot go back to letter grade (under this blanket process)
 - If you want to petition the EPC and go through the “regular process” with proof of hardship and extenuating circumstances
 - **Ruling is NOT a mandate**
 - Academic senate can’t control the departments
 - Most will volunteer, the departments have been suggested to accept this change, but not guarantee
 - Check [with your department!](#)
 - [Mega Thread on Reddit to show departments and their decision](#)
 - Question about synchronous classes next year, and what will be done if there is an asynchronous mandate to prevent loopholes
 - Academic Senate can send a “sternly worded email”: chair can put pressure and emphasize difficulties of time but

there is this idea of academic freedom, so can't mandate
how profs teach their classes

- ❖ Presentation by UC Student Association (Andrew)
 - Background: “mission to advocate on behalf of current and future students for the accessibility, affordability, and quality of the University of California system”
 - No tuition inc on undergrad
 - Protected basic needs and summer aid funding in the state budget and secured \$15m in state aid for undocumented students
 - Successfully advocated for SAT/ACT phase out, compensation for the student regent, and reform of the Regents policy on misconduct
 - Creation of UC Student Lobby for student advocacy as a result of fees
- ❖ 2020-21 Advocacy Priorities
 - Equitable covid 19 response and recovery
 - Access to testing and treatment during covid 19
 - Broadening definition of basic needs to encompass new and emerging insecurities
 - Securing affordable, accessible broadband for students struggling under digital divides
 - Protecting students and workers in the UC and state budgets
- ❖ CALPIRG at UCSD: activism for student interests
 - Future campaigns
 - 100% clean energy CA by 2030: grassroots support statewide, media attention and visibility events like a Clean Energy Summit in winter/spring, build support from elected officials through statewide campuses and our new field schools
 - Plastic Free Seas (Whole Foods): Apply pressures on Whole Foods to ban plastic packaging at its stores, grassroots and media support calling for change
 - Affordable Textbooks: get UC regents to pass an open textbooks grant to incentivize faculty to use open-access resources to make course materials more accessible and affordable, petition collecting for support among students, get student testimonials faculty sign-ons, media attention
 - New Voters Project: to see every eligible voter cast a ballot in election, increase civic engagement, activist summit, pass state-wide policy to always allow mail ballots to all active registered voters
- ❖ College Senators Resolution (Andrew)
 - Main points: called the Academic Senate to urge professors to implement attendance policies for Winter 2021 similar to the policies from Spring and Fall 2020, endorsed the [petition](#) that was sent last week over the listserv
 - Purpose to express sentiments

 - ❖ Meeting summary - VCSA Budget
 - Community Relations under the VCSA goes to serving underrepresented groups at UCSD as well as connecting the school with the larger San Diego community as a whole, such as funding UCSD's space in the MLK parade. While any student at UCSD can attend these events, the funding itself is limited to cultural student organizations on campus. While the allocation is small in terms of this unit's budget as well as the whole SSF fund, in regards to planning an event as a student org, there is a large difference between having \$100 versus \$200 available for expenses. Student participation in these events is difficult to calculate since the fund goes to many different operations that most likely intersect; there will be a potential follow up to see a rough estimate of this.
 - Department Support has 3 to 4 main expenses: SPACES support (330k), USS Lawyer (135k), NCAA Representative (60k), and ISPO Peer Mentors (46k).
 - The recurring commitment to SPACES came as a result of the Compton Cookout, as well as various studies showing that a critical mass of a group was needed to make a community. In 2017, only 1.3% of the undergraduate student population at UCSD was Black, with those students reporting that they didn't feel a sense of community around campus. SPACES goes towards helping underrepresented students into higher education at the high school level, as opposed to OASIS who focuses on that same population after already attending UCSD.
 - The USS Lawyer is funded separately from the rest of the center since the organization supplying the lawyer is currently undergoing contract negotiations with the UC/UCD. This lawyer provides legal support to any undocumented students (and their family)

- attending UCSD, such as getting documented, legal protections and rights while on campus in UCSD and elsewhere.
 - NCAA rep. travels and maintains UCSD's NCAA membership, partially funded by the VCSA.
 - ISPO Peer Coaches have presented in the past and have had great success in helping international students both connect with domestic students as well as simply feeling like a more cohesive part of campus; other services include assistance for attending UCSD and providing general, trained mentorship
- The only variable parts of Division Support are that of the graduate assistantships, as legal expenses are a standard charge directly to UCOP General Counsel for legal services rendered. With regards to the assistantship program, more specificity about the program is needed through potentially a follow up meeting in order to determine in what department these graduates are funded and in which particular positions (teaching, research, etc), as well as eligibility. It is worth noting that the allocation for this program has already been contracted down by half, down to 40k.
- Employee Support goes towards administration, funding union support for employees (such as collective bargaining), team and personal staff development opportunities, and maintaining proper and healthy working environments. While not directly related to students, it is still a non-academic necessity and eligible for SSF funding, and less administrative support impacts students in the form of having less and/or slower infrastructure to support them if administrative productivity goes down, harming overall student satisfaction and experience.
- Facilities maintains itself separately from the school's Facilities Management unit, and focuses on Student Center B, the Student Services Center, and emergency repairs and temporary assistance. Missing from the expenses is the revenue coming from the Yogurt-World and Croutons tenants back into maintaining the Student Services Center for student use with the meeting and multipurpose rooms, as well as the student employment within those stores. The facilities allocation was cut by half (150k) last year, with any additional contractions being unstable as they would have to come from reserves.
- Memberships and Software is a smaller point, with the most notable being the Triton Concern Line, primarily used by Case Management Services. Due to the push last year for mental health by students, as well as this concern line being for professors to be able to refer students, it seems like a valuable resource. While it may be more difficult for professors to be able to use this during remote learning, looking ahead to returning to in person classes makes this service invaluable for staff and faculty to be able to provide help to potential students of concern.

If interested, please reach out to Leon Lin (lf002@ucsd.edu) by mid-February.
 - ❖ **International Women’s Day event?**
 - I’m thinking like a virtual affirmations/storytelling event for students to say

something about a time when they were inspired by a female figure in their life or something like that

- Story submissions (time for them to use the HUM skills)
- And then zoom hour on march 8th to share the stories virtually
- Kinda like the story writing event Geisel does once a year.

 - ❖ COVID updates
 - Outdoor tents will be used until next year
 - Classes will continue to be hybrid
 - Planning to bring back approx. 1,000 students back on campus
 - Triples will be removed permanently
 - Trying to bring back in-person engineering training/projects
 - Tuition increase → suspicions of it being raised
 - Chancellor Khosla confirms there is a 0% chance of tuition increase within the 2021-2022 year
 - Campus Reopening
 - Hoping to be in-person by the fall
 - Hoping to be at least 80-90% capacity this fall
 - ◆ Will still have some option that allows the other 10-20% students to participate remotely
 - Graduation 2021: goal is to have graduates walk the stage and families watch through live stream → NOT GUARANTEED
 - Different health insurances for students → would have to get vaccinated through their primary care → chancellor plans to give every student the vaccine if that is what they want
 - UCSD has vaccinated the most out of all the UCs combined (Go us!!)

 - Review of Proposed California Budget and Its Implications
 - In May, the Governor revises the budget. We more or less know what to expect based of the prospective budget
 - Budget is hammered out in the legislature and finalized by June 30th. Governor can line item veto, but can't add.
 - Overall budget
 - Proposes 164.5 billion\$ in general fund expenditure
 - Includes 18.4B in new discretionary resources, 15/6B in new reserves
 - Budget notes
 - Risks to the forecast remain higher than usual and economic inequality has intensified since the pandemic began
 - Expenditures are projected to grow faster than revenues with a structural deficit of 7.6 billion projected for 2022-23 that is forecast to grow over \$11 billion
 - University of California
 - \$3.819B in recurring funds
 - ◆ +3.6% increase in academic campuses (127.4M)

◆ +2.9% for UCOP (8.9M)

➤ ***THIS IS LESS THAN WHAT WAS CUT IN
SPRING 2019***

- Regents requested \$518.3M recurring funds, \$250M of one time funds (less than half of requested)
- Budget Bill Language
 - *Holds tuition flat for 2021-22.*
 - Takes action to close “equity gaps” by 2025, works with CCC and CSU to share metrics and plans
 - Increase the number of online learning opportunities by 10% by June 2022
 - Better align student learning objectives with workforce needs
 - Develop dual admissions pathway for first time-CCC freshman to receive guaranteed admission to UC. This will be a trailer bill, but language is not written yet
- \$136.3M of New Recurring Funds - “***NEW***”
 - \$103.9 mil for a 3% base budget increase for the campuses and UCOP. This would be a partial restoration of the \$300 million cut UC sustained in FY 2020-21
 - \$12.9 mil for UC Prime (for medical students)
 - \$15 mil for basic needs to focus on SMH and technology
 - \$1.5 mil for Immigrant Legal Services located in UC Davis
 - \$1 mil for transition to Canvas
- \$225.3M of One Time Funds
 - \$175 mil for deferred maintenance / energy efficiency
 - \$20 mil for
 - \$15 mil for emergency fin aid
 - \$5 mil for cultural competent
- Impact: Academic and Student Affairs.
 - RESTORES cal grants, INCREASE \$35 mil to gf of cal grant, INCREASE \$20 mil for cal grant for former or foster youth, REQUIRES local educational agencies to confirm that all high school seniors complete a FAFSA and CDA.
- Impact on UCSD 2021-22 budget process
 - State cut 10% of budget last year
 - Due to the distribution of state gf within the UC system (some schools receive more per student than others), UCSD implemented a 4% core fund cut
 - ◆ Permanent cuts. ***But we are budget neutral now.***
 - Future cuts beyond 2021-22 may be required due to forecast risks, dependence of state reserve funds, tuition freezes.

❖ Recreation Specific Report:

- I met with rec this week, here is some info
 - The Playground is super successfully, will stick around “after” covid
 - Considering a \$5/month charge for alumni and staff who want to continue to have access
 - Return to rec is being expanded as we speak, there is a new outdoor weight place by Muir, super nice, I’ve been there myself
 - There will be further expansions!
 - Trivia night is back!!!!
 - TEC - Triton E-Sport Cafe, is built in the RIMAC Annex, will open “after” covid
- utback adventures is super popular among international and out-of-state students, operating at a reduced capacity because of covid

- SFAC fees act as a backbone of rec services, we fund mainly FTE who organize and improve rec dept.
 - RIMAC and CV fees pay for stuff too! Mainly places, such as main gym.
- ❖ EVENTS
 - Rec acts as a stage for all other events.
 - Basically any place where you would hold a large event, like marshall field, that's a rec event
 - Roughly each event attracts 11 students
 - This excludes NCAA and other BIG events (like sun god and events of the same caliber)
 - These events are for orgs and colleges!
 - Not just outdoor, also indoor rooms in like RIMAC
 - Does not count sports clubs
 - Roughly 87% to 90% students have a unique interaction with rec
- ❖ Student Employment:
 - Rec employs over 1200 students, that is a lot!
 - Employment has 'fallen off' in the sense of there are less places to place student employees
 - No students have been fired, once they can come back they have a job
 - Students got paid for about 4 hours a week this summer, doing team building n such.
- ❖ Sports Clubs
 - Rec overall in a neutral area in this regard
 - SFAC funding goes to management of teams, again FYE
 - Divert funds from SC = divert funds from students & teams
- ❖ Outback
 - Outback adventures is super popular among international and out-of-state students, operating at a reduced capacity because of covid
 - Outback has grown, at what rate we don't know
- **UCAB [Amberine Kabir]**

 - ❖ **International Student Experience Survey**
 - Hey Dean Sherry, is there a way for you to put this on the Revelle Newsletter until week 10?
 - **Blurb:** In an effort to better understand, advocate for, and improve the international student experience at UC San Diego, the International Student Advisory Council (ISAC) has created the [International Student Experience Survey](#). We will use survey results to work with campus departments and organizations to address your concerns as well as provide recommendations to campus leadership. By completing the survey, you will also be eligible to win opportunity drawing prizes in the form of UCSD Bookstore merchandise or e-gift-cards! **Deadline to fill out the survey is Sunday, March 14 at 11:59pm PST.** Questions? Email iprograms@ucsd.edu
 - **Please share! Thank you~ <3 <3 <3**
 - Here's the link: https://docs.google.com/forms/d/e/1FAIpQLScN0SULIeLq1D_dqmiLxYg2QnsrQ3uqlnM4ZcRjzP4V9ApHNQ/viewform
 - **Anonymity**
 - Will be the default
 - Optional email to be entered in a raffle
 - **Funding:**
 - In order to coordinate campus-wide engagement, our hope is that we can offer opportunity drawings from multiple groups to incentivize filling out the survey (e.g. a prize offered by each college council, AS, GPSA, and student orgs represented at ISAC). ISPO, Serena from Muir College Council, and Dakshh from AS have

already agreed to financially support this initiative.

■ **Is Revelle College willing to offer financial support? And how much?**

- I have no idea how much the other colleges are providing so we can't necessarily match but is there like an allocated international student's budget.

➤ Possible opportunity drawing ideas discussed were UCSD merchandise with international shipping available or Visa e-gift-cards. Once we know how much funding we have, we will have a follow up conversation to discuss opportunity drawings.

➤ **Timeline:**

- Right now ISPO is working on some marketing materials for the survey. Once created, the goal is for each representative to distribute the survey through their respective channels.
- current timeline for the survey is:
 - **Open Week 7: Wednesday, February 17**
 - **Close Week 10: Sunday, March 14th at 11:59pm PST** (end of Week 10).

➤ **Coordination:**

- In order to make this campus-wide, we will direct students to iprograms@ucsd.edu with any questions. I have direct access to this email inbox and can provide updates on what types of questions we receive.

❖ Ooh boy today is a doozy.

❖ We got a lot to cover.

Global Education	Director's Office: "Provides leadership to campus for comprehensive internationalization, partnership, program development and international programming" -Campus Internationalization -Support global learning, ACE internationalization lab + facilities coordination across all functional areas -More about the ACE Lab. 6 pillars. Global experiences, works with all majors. Helps with UCSD brand as global footprint Budget: 225,000 (full SSF funded) B: 4, D: 6, V: 5
	International Programming

	<p>Plans international events like iCafe with departments like ISPO + outbound study abroad students</p> <p>Allows for high value activities such as:</p> <ul style="list-style-type: none"> International education week UCSD Fulbright day The global hub iCafe <p>-Has a 36 year history with HDH and allows for nearly 1,000 students and staff to participate quarterly (~100 each Friday)</p> <p>-iCafe surveys suggest a 100% positive response towards participation facilitating increased cultural awareness</p> <p>-iCafe budget \$70,000 (SSF \$20,000) + Program Management budget \$75,000 (SSF \$75,000) = \$145,000 (SSF \$95,000)</p> <p>PM: B 4 D 7 V 6</p> <p>iCafe: B 6 D 6 V 8</p>
	<p>Marketing and Communications</p> <p>Supports all global education units through updating websites and newsletters as well as social media</p> <p>Budget: 95k (SSF: 17k)</p> <p>B: 5, D: 3, V:6</p> <p>Only reach a couple thousand people and a good part of them is faculty/staff. Newsletters aren't very impactful.</p>
Student Success Programs	<p>Staff: 7.73 FTE, 18 student staff.</p> <p>Budget: all SSF, 814k</p> <p>Students Served: 989 (2019-2020)</p> <p>Mission Statement: facilitate the transition and promote the success of a cohort of incoming and continuing first-generation college students at UC San Diego</p> <p>Goal/Events: Success coaches, peer coaches</p> <p>101 of 400 1st year, 1st generation college students invited to participate participated in the survey</p> <p>B: 3, D: 7.3, V: 4.5</p> <p>Not for the entire campus, reaching 10% of their population.</p> <p>Tritons first: 1st generation</p> <p>Staff: N/A, staffing provided by SSP team</p> <p>Budget: \$25,000 (all SSF)</p> <p>Students Served: 621 (2019-2020)</p> <p>Mission: Create a campus that is inclusive, celebratory, caring, and welcoming for first-generation students</p> <p>This is a EVENT BASED INITIATIVE</p> <p>Programs/Events: National First-Gen Day, Campus Socials, Triton Firsts Welcome, Career Readiness Conference</p> <p>B: 3 D: 7.1 V: 8.6</p> <p>Meaningful impact~ important to create safe spaces for students</p>
	<p>Transfer Student Success: 1st generation transfer students</p> <p>Staff: 1 FTE, 10 student staff, 1 grad student</p> <p>Budget: \$242,867 (all SSF)</p> <p>Students Served: 374 (2019-2020)</p> <p>Mission: provides resources, services, and programs to empower Triton Transfers to achieve their goals as they navigate UC San Diego's academic and cultural landscape</p> <p>Programs/Events: Triton Transfer Hub, Triton First Event, Class of 2020 Virtual Recognition, National Transfer Student Week</p> <p>B: 2.6, D: 6.6, V: 5.8</p> <p>Yield is quite low. Significant impact though on transfer students. Spent a lot of SSF on 400 students</p>
	<p>International peer coaching program:</p> <p>international students</p>

	<p>Staff: 6 student staff, 1 grad student Budget: \$76,000 (all SF) Students Served: 113 (2019-2020) Mission: Offer academic support, information, skill development, and advocacy that inspires and empowers first-year international college students, and equips them with skills to be successful in navigating their college life Programs/Event: English-in-action, Intercultural Social Hour, ISPO chat, consultation sessions, international peer coaches, iTable, iThrive, orientation, Triton Trekker B: 1.8, D: 7.3, V: 6.6</p>
SLS	<p>SSF: \$375,065 Number of students served over the years: AY2019-20: 747 AY2018-19: 767 AY2017-2018: 746 COVID-19 Impact Everything has shifted online Fall 2020 numbers were down by around 20 students Seeing a rise in landlord-tenant law cases Wait time for appointments has decreased to a day TLDR: Very lean and very mean.</p>
USS	<p>Undocumented students (350-400 per year) \$1500 quarterly scholarship Undocumented Student Services - Legal Services: 1 full time attorney to provide confidential legal aid to students Staff: 2 FTE, 4 student staff Budget: \$519,000 (\$362,500 SSF) \$140,000 Non-SSF UCOP allocation ends June 2021 Students Served: 1066 (2017-2020*) Mission: Serve undocumented students Inclusive fellowship programs Staff: 1 student staff Budget: \$75,000 (all SSF) Students Served: 13 (2019-2020) Mission: program that provides AB 540/CA Dream Act students the opportunity to gain skills that will prepare them for graduate school or career pathways at UC San Diego. Programs/Events: Group meetings, portfolio development, \$1,500 quarterly scholarship Legal Services Staff: 1 lawyer, 1 student staff Budget: \$159,500 (all SSF) \$134,500 one time allocation ends June 2021 Students Served: 631 student appointments (2017-2020*) As a note, that one time allocation is from the VCSA's office, specifically the VCSA Commitment unit reviewed week 1. This is due to the contract between UCOP and UCD (we "lease" the lawyer from UCD's Undocumented Student Service, as do all the other UC schools) currently being renegotiated. Also the lawyer is open to immediate family of a UCSD undocumented student (parents, siblings, spouses, etc) Mission: Program offers in-depth immigration consultation, legal advice, and representation for UC San Diego undergraduate, graduate, and Extension undocumented students and their immediate family Programs/Events: One-on-one consultations with immigration attorneys. Open to anyone though. B: 7.5 D: 9 V: 7 High breadth cus its hard to get exact numbers. If there's 1000 unique users, then most undocu students are using the services. Personal impact is high</p>
UEO	<p>SFAC Funding (\$165,000) covers 1.3 FTEs UEO FTE's (4) responsible for: Triton Fest, Programs within Triton Fest, Marketing, Administrative cost</p>

	<p>In total, 2,115 non-unique students went to a UEO event</p> <p>UEO in fall quarter received \$55,000 in SFAC funding</p> <p>Assuming that each of these students is a unique student, that is \$26 per student, on average, for fall UEO events</p> <p>Student engagement has significantly dropped. It has been more difficult to reach out and have students engage. For many it feels like another zoom lecture</p> <p>Giveaways are a small amount of funding, most goes to talent</p> <p>B: 3.75 D: 4.125 V: 4</p> <p>Average Overall Unit Score: 3.96</p> <p><i>Low reach and uninterested students, but massive amount of money going to talent instead of students. Execution is lacking</i></p>
CASP	<p>SRS - Chancellor's Associate Scholars Program</p> <p>Staff: 4 FTE, 40-60 undergrad student staff, 5 part time grad students</p> <p>Budget: 615,843 (558,343 SSF)</p> <p>Students served: 291 incoming students, ~1000 students total (as per 2019-2020)</p> <p>Mission statement: through scholarship funding, services and programs, the CASP recognizes and supports talented local students with financial need and great potential and motivation to academically succeed at UCSD</p> <p>Goal/Events: Programs focused on incoming freshman and transfer students, Support distribution of scholarship funding, Mentor program, study rooms, CASP courses</p> <p>Score- B: 4 D: 7.5 V: 4</p> <p>Native Americans registered with their tribe automatically qualify for CASP</p> <p>For their depth, their data showed good academic standing within participants.</p>
