Revelle College Academic Advising

April 2015

What's New with the Peers this Week!?

Better Buzz

Want to get your Buzz on!? Go check out Better Buzz, located in Pacific Beach! Better Buzz offers a variety of coffees and pastries. Our Peers found the hot chocolate, white mocha, and chocolate chip scone to be especially delicious. Better Buzz is a great place to grab a drink and snack right before hitting the books. The best part is they have a drive through. So if you just want to grab a quick drink this is the perfect place for you!
