

THE PEER REVIEW

February 2018

On this month's issue...

CHICK-FIL-A

If you haven't heard of Chick-fil-A, you're missing out. From their classic chicken sandwich to their delicious nuggets, Chick-fil-A is definitely a place to check out. Originally founded in Georgia, Chick-fil-A has expanded across the US and can be found right here in San Diego. With several locations around SD, Chick-fil-a is a taste-bud satisfying fast food chain. You can also occasionally see their "eat more chikin" cows on large billboards. So next time when you have a chance, definitely check it out!

5

Here are some of the peer advisor's favorite items at Chick-fil-A. Unfortunately, they don't have many vegetarian options so Ryan didn't have any favorites. Also, if you are craving Chick-fil-a on a Sunday you'll have to wait until it opens on Monday.

1. Chick-fil-A Sauce, Waffle Fries
2. Spicy-Deluxe Sandwich, Waffle Fries, Chick-Fil-A Sauce
3. Chick-fil-A Chicken Sandwich
4. Chick-fil-A Nuggets, Waffle Fries
5. Cookies & Cream Milkshake
