- E. **Vice President of External [Victor Amet]**
  - ❖ Reminder: OH at The College Center in Blake Hall (4-5pm on Thursdays)
  - ❖ Posting Policy Updates
    - Send in Event Flyer, Post Caption, and posting schedule at least 4 days before the event. The goal for this is:
      - For the first 24 hours, the VPE is able to receive the message and observe if any changes need to be made (typos/inappropriate messaging/missing-information) + schedule the post upload.
      - To have a minimum of 3 days of consistent advertisement to highlight your event.
    - If you expect to potentially take vids/photos of participation during the event to publicize it more, let me know ahead of time to see if I can have my schedule clear to repost.
      - EX: R.E.M. event → Basic Needs Hub recorded the table set-up of the event day-of and posted it. I was able to repost it and get more attendees.
  - ❖ Thank you to everyone who helped out and/or stopped by my event, R.E.M!!!
    - The event was a huge success; almost doubled our estimated attendance!
    - As seen through this + the free farmer's market; many students are interested in receiving help from Basic Needs services! Please keep them in mind when planning events; because it helps both Revelle students' interests as well as the Hub receiving funding from the university.
    - The stamps used in the event are now in our RCC section of the leadership space. Feel free to use them for your events!! There are letters, self affirming messages, and spring (flowers/bugs/etc) themed stamps!
  - ❖ Last update for Basic Needs Advocate
    - Most of the college reps for Basic Needs (from the 8 colleges) have coordinated events with the Hub at this point + multiple of us have termed out = we've all decided to stop meetings with one another for this school year.
    - I still have contact with all the "higher-ups" at the Hub; so I can still help transition the new Advocate this coming school year.
- F. **Director of Student Services [Stephanie Venegas Solorio]**
  - ❖ Upcoming plans:
    - Meet with Wes
      - Will be meeting with Wes (soon hopefully) to get a rundown of everything that goes into planning the involvement fairs!
    - Contact College Center
      - Hopefully I can get in contact with the college center soon to introduce myself and get a basic rundown of how the programs work :))

# Revelle College Council

- An Idea for Student Services Committee
  - Potentially open the committee to the public!
    - Open communication with students
    - Consistent feedback
    - General sense of what services students are in need of!
    - Thoughts?
  - If this cannot happen, I'd want to have office hours (similar to Nic and Gage) to try to have that door open to students!!
  - If neither of these can happen: errrrrm i'll find a different way!!!
- ❖ SHWAB
  - There are two more SHWAB meetings for this quarter, I am happy to report on them despite not being in the position anymore, however I cannot attend the meetings (due to class :())
    - However, I can get the agendas (though it'll be way after the meetings occur)
