F. Associated Students Revelle College Senators [Gage Mowrey,-]

- ❖ Proposal sponsored by AS Senator Mowrey on Revelle Merchandise Funding
 - ❖ “Section 12: Merchandise for Revelle Student Organizations
 - Merchandise for Revelle student organizations shall abide by the outlined guidelines:
 - General Guidelines
 - Any merchandise shall only be purchased for currently enrolled Revelle Students
 - Merchandise shall not be used for recruitment purposes and shall be limited to official and active members of the respective organizations
 - Organization specific guidelines
 - Revelle College Council
 - Council may use student fees to fully fund its own merchandise, however any merchandise must be made at the lowest cost possible by remaining under \$25 exclusive of additional fees per item or \$1100 for the total cost of the order, whichever is lowest.
 - Revelle Judicial Board
 - Council funds may be used to subsidize Revelle Judicial Board merchandise by fifty percent (50%).
 - Student-Initiated Programs @ Revelle
 -
 - Revelle Creative
 -
 - RevForce
 - “
- ❖ Reasoning for the proposal
 - Ordering merch is a logistical NIGHTMARE under our current by-laws, which state we must split the bill equally among council members and student fees
 - It is not uncommon practice for organizations to buy their own merch, most of the other colleges do
 - I borrowed some language from Seventh’s Council in order to limit the amount we would be able to spend on the merchandise if every seat in council was filled
 - I need outside opinions though:
 - Under our current by-laws, only RCC and J-Board can subsidize merch by 50%, however no other Revelle Organization is entitled to that privilege, so I would like to extend at least the subsidies to the other student organizations because they do similar work and programming for Revelle and yet receive little recognition for these efforts
 - It could also aid in publicity for the Revelle Orgs that are not as well known
 - Please provide any comments written as well as in discussion but obviously because I am not here, written comments will get your message across better. Also feel free to suggest comments on the above proposal, I’ll go back into the agenda and read everything after Council ends
 - Comments from RCC Members (feel free to add more than 3 obvi):
 - (extending subsidizations)
 - Large sum of money for everything, percentage based wise, balanced based upon members of the groups, making it all 50 would take too much out of student fees
 - Is it even possible? And what orgs?
 - Many policies ordering merch very difficult, would encourage to try and find wording that allows RCC/other orgs to order merch to make the process easier
 - (About subsidizing whole Amount)
 - 2.25 student fees per item and doesn't seem fair to use that for our own merch, and that we should pay a part/percentage of that

- Discovering the way stoles are bought through college wear? And maybe use that option if possible to do a partial coverage of merch
 -
- ❖ General Updates:
 - First Office Hours, May 21st 2-4pm on Anchor Lawn
 - Other Office Hours for the Quarter will be June 4th at the same time and place
 - I will be absent from Senate Week 9 for the Revelle Leadership Recognition Ceremony (which you all should attend!! RSVP by May 21st, check for an email from Assistant Dean Melina)
- ❖ Senate Updates
- ❖ [LEGISLATIVE ACTION ITEM: Revisions to Senate Rule XII and Introduction of Senate Rule XIII of the Associated Students of UC San Diego. Sponsored by Senator Elbanany.](#)
 - In the affirmative
 - Should ensure that Senators give due respect to special presenters and their presentations
 - In the negative
 - Over-polices the Senators and does not allow for free expression
 - After much discussion, many enforcement policies were removed because of the over-policing power the EVP would hold, so there was a motion to table
- ❖ **TABLED to Week 9**
- ❖ [LEGISLATIVE ACTION ITEM: Revisions to Senate Rule XIII of the Associated Students of UC San Diego. Sponsored by Senator Elbanany.](#)
 - Mostly updates that are already reflected by Senate practices
 - Debate came from whether or not to allow Pro-Staff to be able to introduce legislation, limited to specific circumstances and only administrative reasons
 - **PASSED 9-8-8**
- ❖ [LEGISLATIVE ACTION ITEM: Revisions to Standing Rules \(Title VII Section 4.3\) Compensation Policies. Sponsored by Senator Lujan.](#)
 - Proposal of raising Senator stipends from \$45 to \$100
 - Current pay is for 35 weeks, 37 officially but two weeks are not executed for some reason, proposal includes an increase to 38 weeks to include summer training for Senators
 - Currently there are 27 Senators who receive a stipend
 - Campus-Wide Senator (5 x \$45/wk x 37wk)
 - International Senator (1 x \$45/wk x 37wk)
 - Out-of-State Senator (1 x \$45/wk x 37wk)
 - First Year Senator (2 x \$45/wk x 37wk)
 - Transfer Senator (2 x \$45/wk x 37wk)
 - Off-Campus Senator (2 x \$45/wk x 37wk)
 - Revelle Senator (2 x \$45/wk x 37wk)
 - Muir Senator (2 x \$45/wk x 37wk)
 - Marshall Senators (2 x \$45/wk x 37wk)
 - Warren Senators (2 x \$45/wk x 37wk)
 - Roosevelt Senators (2 x \$45/wk x 37wk)
 - Sixth Senators (2 x \$45/wk x 37wk)
 - Seventh Senators (2 x \$45/wk x 37wk)
 - Very controversial in Senate with pretty evenly split opinions
 - On the affirmative
 - Opportunity loss of Senators
 - ◆ Not able to put enough time towards other jobs because of Senate and income loss because of this

- Inequitable for lower income students who could not afford being a Senator and supporting themselves with other means
- On the negative
 - Who would this affect?/there are current senators who could receive a stipend increase and would be voting on their own increases, very obvious conflict of interest
 - Budget concerns as this would require cuts elsewhere
 - ◆ Current Senator Stipend Budget:
 - \$44,955.00
 - ◆ Approximate Proposed Amounts in Annual Budgets (calculated by moi):
 - \$100 a week = \$102,600 = +\$57,645
 - \$90 a week = \$92,340 = +\$47,385
 - \$75 a week = \$76,950 = +\$31,955
 - \$60 a week = \$61,560 = +\$16,605
- Advisor input: Enrollment will be increasing from around 31,200 students to 32,200 and this will result in a \$300,000 budget increase for AS
- There has also been discussion to have this possibly affect the 2025-2026 school term, however Pro-Staff and other Senators pointed out that there will pretty much always be a conflict of interest and this vote should occur sooner rather than later
- This was tabled and will be discussed Week 9 prior to our Spring Week 10 budget meeting where Senate will discuss wages and stipends for the next year
 - **TABLED to Week 9**
- ❖ ACTION ITEM: Extension of Associate Vice President level appointments. Sponsored by Executive VP Vallejo-Avila.
 - Also controversial
 - Some Senators felt that the applications should be extended to allow for more applicants who may not be aware applications were open because many Senators did not know that C-Level (AVP) applications were even open
 - Other Senators felt there is not enough time in the Appointments Process and need to have appointments done this week
 - Unfair to the current Senate and those currently serving on the hiring committee who will graduate and lose their say in the process
 - a bit off topic but this discussion caused a very fiery storm-out of one of the Transfer Senators, who left Senate in the middle of discussion after a passionate tirade
 - **PASSED 21-0-0**
- ❖ [ACTION ITEM: Resolution Condemning Administrative Campus Action and Introducing a Vote of No Confidence on Chancellor Kholsa. Sponsored by Senator Lopez Morales.](#)
 - Updated resolution with new supporting faculty, alumni, and student groups on campus in support of the resolution
- ❖ LEGISLATIVE ACTION ITEM: Revisions to Standing Rules (Title IX Section 2.1) Established Positions of ASUCSD. Sponsored by Senator Elbanany.
 - Updating position names within AS and its staff, titles are around 6 years old
 - **PASSED**
- ❖ DISCUSSION ITEM: 2024 AS Banquet Form. Sponsored by VP Hwang.
 - Administrative bickering over AS Banquet and people signing up late

- ❖ **DISCUSSION ITEM: Ongoing Conversation with Campus Administration.** Sponsored by Senator Limon.
 - Frustration expressed by many Senators who were appalled by the content of the speaker brought by an organization on campus who expressed many Islamophobic remarks
 - Senators remarked that the audience for the event was also made up of a sizeable chunk of non-UCSD people which as against AS funding guidelines
 - Content neutrality: legal precedent that AS cannot legally discriminate against content and must provide equal opportunity to Student Organizations to spend the money AS provides them with
 - AS has been sued for violating this law in the past by The Koala if you all remember that ordeal
 - The Marshall Senator would like to have a meeting with administration about this speaker and see what statement administration can issue to support Muslim students at this time
- ❖ Senate adjourned at 10:37pm 😊
- ❖ I also sincerely apologize for how long this is, it just felt like a good portion of this is good info to know so why now info dump

Students may borrow up to 3 books for a total of 24 hours. If you run out of time while conducting independent critical assessments, just call the College Center at (858) 534-4545 for a time extension. Keep a tragedy from happening and help other Revelle Students succeed in the Humanities sequence! Come by the College Center and donate your old books to the program.

F. **Associated Students Revelle College Senators [Gage Mowrey,-]**

- ❖ Rating of Senate: 4/10

- Normal session: 6/10

- First closed session: -10/10

- ❖ **SPECIAL PRESENTATION**

- [Special Presentation: "CALPIRG" Presentation in AS. Sponsored by Executive Vice President Vallejo-Avila.](#)

- Updates on the activities and future projects of CALPIRG

- [Special Presentation: Senate Stipend Reform. Sponsored By Senator Lujan.](#)

- Arguments brought up by the proposing Senator:

- Loss of Opportunity

- ◆ Lower income students cannot afford the time and resources needed to join Senate and AS because they have to spend time on other jobs to support themselves

- Not fair or equitable pay compared to other AS positions
- Will introduce performance standards (already exists but are weakly enforced)

- Arguments brought up by the opposition:

- No research to back up claims in the proposal
- \$100 is an incredibly high increase
- This should not be a source of income and should not be the motivation to join AS

- [Special Presentation: Academic Financial Aid Senator Project. Sponsored by Senator Chang and Vice President of Academic Affairs Hwang.](#)

- Senator Project from the 7th College Senator Chang
- Third party resources for students are expensive and can deter students from participating fully because of financial barriers
- Goal of using AS funds to buy access to iClickers, Kudu, Macmillan Learning, Achieve, Pearson, Edfinity
- Survey out now to see what students want to see and what resources are highest priority

➤ Special Presentation: 2024 Salary Budget Sponsored by CFO Krishna.

- Updates from CFO Krishna on AS budgets as a response to the wage increase proposal

❖ **UNFINISHED BUSINESS**

➤ **LEGISLATIVE ACTION ITEM:** Revisions to Standing Rules (Title VII Section 4.3) Compensation Policies. Sponsored by Senator Lujan.

- My commentary I provided in Senate:
- Roughly 300 other students involved in all the college councils are unpaid and do more work than some senators, not to lay blame and say that AS as a whole is an inefficient body, but as a student who volunteered in my college council previously, I see that there are 38 other council members in Revelle who do so much good work and advocacy, this stipend is a privilege so is this role and the abuse of that is apparent, this wage increase is not representative of the work being done by the Senators currently

➤ **REJECTED:** Vote tallies not recorded on Order of Business, was roughly 7-18-4

❖ **NEW BUSINESS**

➤ **DISCUSSION ITEM:** C-Level Hiring Committees. Sponsored by CPO Chen-Eng.

L. Transfer Representatives [Alex Gilden, Elan Ortiz]

- ❖ Nothing much to report, but I had a meeting today with HDH regarding the Sunshine market and its transformation to an Amazon-Go store. They wanted to know our feedback, there should be a survey coming out on the triton to-go app, if you have strong feelings about sunshine, dining, anything, PLEASE don't hesitate because they actually do take into account what students want.

M. International Representative [Shriya Gupta]

- ❖ Come out for the event "Summer-Social send off" which is right after RCC at 7:00 pm today at conference rooms. Unfortunately, we had to cancel boba orders last minute due to logistical reasons. However, we do have food. So pull up; write some affirmations as we end the year and play some board games.

- ❖ I have been working on a new program called "HearMe RCC" for weeks now. Due to a very cranked up timeline and the fact that I am graduating, I cannot execute this program this quarter. I would really really really, I mean REALLY appreciate it if anyone on the council would be interested to borrow this idea and launch it next year.
- ❖ HearMe RCC is designed to act as a vital link between the student body and the student government. To kickstart this initiative, a pop-up booth will be set up at Revelle Anchor Lawn every week for the first three weeks.
- ❖ At this booth, students are invited to pen down their current challenges and concerns regarding Revelle, as well as suggest potential solutions. These

submissions will be collected in a ballot box, ensuring that every voice has the opportunity to be heard and considered.

- ❖ The booth could also have some snacks, custom designed stickers and buttons
- ❖ After the initial three-week period, if the program is getting a good response, you can plan to transition 'HearMe RCC' into a more passive phase. A ballot box will be placed near Revelle Anchor Lawn on a weekly basis, allowing students to conveniently submit their concerns and suggestions.
- ❖ The budget is ready, sticker and button designs are made on canva - you can execute the event as it is or improvise it according to your choice. Let me know if anyone is interested and I will be more than happy to expand on it.

 - ❖ Thank you all so much for filling out my form last week! We still need responses, so please send the form out to any of your Revelle friends and encourage them to fill it out!
 - ❖ Working with my Triton Pantry connections to set up the first pop-up food event → this will most likely take place at the start of next academic year because it requires a good amount of planning
 - ❖ Basic Needs has finally released the campus-wide survey! We all worked really hard on this and used several meetings just as editing time to make the form the most effective and useful possible!
 - ❖ Please, please, please fill it out! It would make a significant positive impact on our UCSD community as a whole and would really allow Triton Food Pantry to hone in on the specific needs of the UCSD community
 - ❖ The “College Call to Action- Basic Needs Survey” is split into four main sections pertaining to housing, financial, and food insecurity as well as the college call to action section. The form looks at Basic Needs through a multitude of lenses to meet the needs of students holistically.
 - ❖ **Here is the link:**
https://docs.google.com/forms/d/e/1FAIpQLSdD9g7qsCDw_I0ddLWw2FRIUOfE5mYLxVRj1vCcrVfxzg/viewform - the flier attached below also has a QR code that can be scanned to access the form
 - ❖ Some very useful and important information about why Basic Needs decided to launch this survey from Carmen, our program coordinator:

Through the Winter and Spring quarter, we have been meeting with the College Basic Needs Representatives to create a student led basic needs assessment that would help us grow a deeper understanding of students evolving challenges with basic needs among the college neighborhoods. While supporting the College Basic Needs Representatives of each college, we noticed a common challenge being uplifted by the Representatives not having access to student data to help direct them on how to best support their fellow peers and the desired need to assess the current need within their colleges. Representatives also uplifted challenges when it came to receiving funding for programs that would be greatly beneficial to capacity build basic needs supplemental resources to their localized college neighborhood communities.

The goal of the “College Call to Action- Basic Needs Survey” is to help College Basic Needs Representatives by learning more about the student needs of the individual colleges in order to give students the resources to hold programs specific to their college

needs. Additionally, the intention of this survey is to round out the UC Undergraduate Experience Survey (UCUES) which seeks to guide the University for the holistic improvement of the Undergraduate Experience by reporting on the quality of academic programs to the University's Academic Senate. The "College Call to Action- Basic Needs Survey" expands on this by taking a closer look at students' basic needs and the programs they are looking for to address these problems reflective of their college neighborhood experience.

 - **Humanities Booklending**
 - Humanities Booklending is a free textbook lending service available to all Revelle students! We strive to relieve the financial burden of purchasing academic textbooks for the Humanities (HUM) sequence. By doing so, we hope to remove barriers to retention in Revelle students' education for underrepresented student populations. This program is part of the Student Services Committee, funded by Revelle College's student fees and donations.
 - Borrowing books is as simple as coming to the College Center (1st floor Blake Hall) with a valid UCSD student ID. You may borrow 3 books for 1 week at a time.
 - Request extensions by calling College Center at (858) 534-4545. This service is available all quarter, and the last day to rent or return books is Week 10's Friday before Finals week.
 - NOTE: RA duty phone number (Sat/Sun, afterhours) vs. College Center number (wkdays, business hours)

 - b. Will update at next week's council meeting
- ❖ **NEW BUSINESS**
 - Discussion: 2024 -2025 UCSD Changes to Geisel Library Hours & Other Funding Allocations to School Services. Sponsored by: Sen. Bautista, Sen. Zhu.
 - Sen. Bautista:
 - pending request about specifics of budget cuts
 - inquisition is in regard to why specifically hours were cut in the grander context of a decreased state budget

- VPE Tabia-Jr Urbieta
 - Gave context from External office about bills being held up in CA legislature
 - Khosla delegates budget cuts to the VCs and Department Chairs
 - UCOP hands down budget cuts from the State
 - UCSD does not have a budget deficit but the state budget cuts are separate whereby they impact all campuses
- President Vallejo-Avila
 - Believes VPAA has distinct focus on this issue and should coordinate in efforts to keep the library open longer
- Sen. Zhu:
 - Would like to reach out to alternative spaces for students to be able to access, like the resource centers or create a program through Senate to keep study spaces open
- Sen. Garcia:
 - Would like to highlight other 24 hour spaces on campus as well
- Sen. Zapata-Castillo:
 - Ditto to Sen. Zhu's and Sen. Garcia's point, suggested collaboration on doing research to find alternative methods to keep spaces open

➤ Action: [Resolution on the Summer Bridge & Mentor Collective Merger and Collaboration](#). Sponsored by Sen. Tappin, Sen. Zapata-Castillo, and President Vallejo-Avila.

- Resolution opposing the merger of the Mentor Collective and the Summer Bridge program
 - Mentor Collective: volunteer based, students are paired with an older student to foster their leadership skills and learn how to enter into and build community at UCSD
 - Summer Bridge: paid student interns are paired with an entering freshman, typically low-income students or first-gen, who is taking a Summer Session class prior to their first year and help them establish themselves at UCSD
 - Discrepancy comes from the fact that:
 - ◆ Summer Bridge pays their interns, Mentor Collective does not
 - ◆ Summer Bridge is more academic focused, Mentor Collective focuses on a students' emotional wellbeing
 - ◆ Summer Bridge professional staff are being told to start finding other places of employment

 - Appointment of Elsabella Wang as ASUCSD Judicial Board Chief Justice (Article IV ASUCSD Constitution). Sponsored by President Vallejo-Avila.
 - **APPROVED**
 - ❖ **FINANCE ACTION ITEM: 2024-2025 Executive Budget Presentation.** Sponsored by Chief Financial Officer Hoang.
 - For newbies, Associated Students is the campus-wide student government on campus
 - We currently manage a budget of \$8.8 million and are primarily funded by student fees
 - Around Week 5 of Fall Quarter (every year), AS Senate holds a super long meeting(s) to determine how to allocate that allocated money
 - In the meantime, AS is currently facing a 700k deficit
 - HOWEVER, I successfully advocated to increase funding for the grant initiative fund under the Office of College Affairs (money that RCC and other councils will be able to access for cross college collaborations and projects focusing on basic needs, sustainability, health, etc.
 - a. The proposed line item was 25k and the original ask was 50 BUT I motioned to increase the line item to 45k
 - We made it roughly half through the budget talks BUT the talks will probably be difficult given how the Senate is expected to close the 700k deficit the Association is facing
 - I motioned to postpone until next week's Senate meeting (November 6th) – we ended around 10:30/10:45 pm

- ❖ My resolution for Geisel Library reducing its hours will be presented to the Senate for a complete vote next week! It passed unanimously through the Legislative Committee
- ❖ I'm also drafting a basic needs-related resolution focused on data collection (I will submit the resolution by the end of the week to AS for review then a vote by Week 7)
- ❖ NOTE: I'll attach the final budget that's approved after next week's Senate meeting when it's finalized
- **Director of Spirit and Events [Golsa Rahbari]**
 - ❖ Meeting with Isabel tomorrow to finalize week 10 BBQ
 - Once everything is finalized probably next week after I present, I will put out a sheet about shifts and if you cannot make it
 - Let me and Aileen know, form out soon
 - The date proposed right now is Wednesday, December 4, 12-2PM.
 - This is a mandatory event for ALL members to attend
 - Set up would start at 10 and clean up would end at 3
 - ❖ Meeting with Janet soon to discuss spirit night
 - ❖ Going to connect with other colleges soon about concert
 - Already connected with the AVP (Associate Vice President) of College Affairs in AS (Associated Students) about potential funding
 - ❖ If you have any questions about event planning or need ideas let me know so I can help in any way I can!
 - ❖ AS is hiring, reach out if you want to me, Nic or Grace to connect you with someone
- **Director of Student Services [Andie Ongaco]**
 - ❖ Working on potentially adding student services to the newsletter.
 - ❖ Meeting with Wes soon to talk through involvement fair
 - ❖ Not super RCC related, but apply to the Student Sustainability Collective! My job has [internships](#) and a [director](#) position open for winter & spring quarter (we have a stipend!). Message me for more info 🌱
 - ❖ [STAC meeting notes](#), main updates/goals:
 - Have enough votes for the UPass in January in its own special election
 - Supported by Assistant Vice Chancellor Mahaffey, and Kavanaugh
 - Any member of the public can go to STAC meetings
 - UPass's 10th birthday (born 2014) this December, 30 million rides

 - [Interest Form](#)

E. Student Services Committee [Andie Ongaco]

- ❖ Two events in our horizon
 - HUM Book Drive: planning is in motion in the committee for a two day drive in week 10 this quarter at the Anchor!
 - Catering coffee from HDH, and pastries from Su Pan
 - 12/4 - framing it as a dessert event to the wk 10 BBQ: 2-4pm
 - 12/5 11-1pm
 - Winter Involvement Fair: interest emails are being sent out this week, rsmps sent out next week. Tentatively on Thursday, Week 1, 1/9/2025 in Revelle Plaza. Planning to bring in tables for RCC advocates, voting members, AS senators, and also Roger's community garden, SIP, Jboard, and more!
 - Hoping to bring in Filipino food: Tofu Sisig (V), Okoy (V), Lumpia, and possibly 1 more dish!
 - Event will most likely be part of WoW's Return in week 1!
- ❖ See you next week with a budget >:)
- ❖ Created an initiative
- ❖ [proposal](#) form shared on our linktree!! Instagram post coming soon
- ❖ Working on creating an active "library" spreadsheet for the college center lending programs.

F. Engagement Committee [Vickie Nguyen]

- ❖ Welcome to Engagement Committee new members! Excited to get the committee up and running again!
 - Fill in this [When2Meet](#) by Sunday, November 10 with your fall availability if you're in the committee or interested
 - First meeting will be announced for week 7 or week 8 once a day and time is selected

G. Spirit and Events Committee [Golsa Rahbari]

- ❖ Hey ya'll, thank you for joining spirit and events!!!! I'M SO EXCITED AHHHHH
 - Our meetings are going to be on Mondays, from 7:30-8:30 pm (I know this is late but based on the lettuce meet this time works best!)
- ❖ We will have a meeting next week, for which I would like you to come prepared with some ideas for merch to give away during spirit night. For some context, spirit night has a bunch of activities that accumulate points for the colleges. The most points can be gathered by attending the spirit night basketball game, because each 1 person attending counts as TWO POINTS!!!
 - Because of that, Revelle has traditionally given away merch to both boost our spirit and bring more revelle students to the game
 - Last year we gave away long sleeve shirts, and the year before that we gave hoodies
 - I would like all the members of the committee (and anyone else is welcome as well) to look into some potential merch and also think about what design we would like to have on the merch.
 - My thinking is we could do something cheaper in larger counts to give to more people OR something more expensive in smaller counts so there is more demand for it and both could achieve high attendance, so think about that as well while coming up with your ideas
- ❖ Although Spirit Week is next quarter (week 3 or 4 ...), Janet and I want to get planning ASAP to secure that 3rd year in a row win :)))
 - So the timeline would look something like this: week 7-week 8 planning and designing merch, week 9 BEFORE thanksgiving finalizing design for merch, week 10 ordering merch and organizing spirit week events, FINALS AND WINTER BREAK, week 1 finalizing and ordering for spirit week events, week 2 preparing :O

- ❖ ACCB/ACTA room located in Price Center Commuter Lounge, empty but full of junk (poor use of space)
- ❖ Price Center commuter lounge (8 out of ten), filled with the most resources, but more of a communal space than a lounge to relax in. - ❖ This screenshot gives a brief rundown of all of the student fees that students get charged each quarter and what campus wide board is in charge of handling these fees.
- ❖ SFAC (Student Fee Advisory Committee), is in charge of a separate fee called the “Student Service Fee” which is worth \$430 a quarter. SFAC is in charge of a fund that is worth approximately \$300,000, and uses this money to fund programs or initiatives that faculty members, or other UC San Diego affiliated groups present before the Committee.

- F. **Associated Students Revelle College Senators [Gage Mowrey, Nicholas Tappin]**
 - ❖ Senate Ratings and Notes from Senators:
 - Gage: 5/10, rough to listen to such angry voices from both in and out of Senate for so long, but finally passed a budget to operate from
 - Nic: 2/10 – stressful because I was making all of the motions and giving the new figures for the revised budget
 - Golsa 0.5/10 the only thing that got me through that was that my brother was there and I cried 4 times #embarrassing
 - No Office Hours next week!
 - ❖ Report from the Senate (apologies for the length)
 - ❖ PUBLIC INPUT
 - We heard from dozens of students on behalf of two groups experiencing budget cuts:
 - Triton Television
 - Was going to see cuts on their overall budget by approximately \$5.7k
 - Students advocated for the space TTV creates for non-STEM majors at our STEM-heavy school

- Office of External Affairs
 - Black Student Union: advocated for their \$20k line item towards an important conference they attend each year but have only received partial AS funding in the past, this year the expenses will be fully funded
 - MeCHA (Movimiento Estudiantil Chicana/o Por Activismo) advocated for the work External Affairs does to advocate for minority students and underserved populations at the UCSD, local and state political level
- ❖ SPECIAL PRESENTATION
 - Special Presentation: UC San Diego Triton U-Pass: Referendum Update Presented by Assistant Vice Chancellor Kavanaugh. Sponsored by President Vallejo-Avila.
 - Presenters: Josh Kavanaugh
 - [UC San Diego Triton U-Pass Referendum Update](#)
 - Will raise the U-Pass fee from \$69.57 to \$75 and expand these services:
 - ◆ U-Pass for all students during Fall, Winter, Spring AND NOW SUMMER
 - Recently graduated students will be able to keep their U-Pass through the summer after they graduate
 - ◆ NCTD+, FLEX, AND COASTER ACCESS!!
 - ◆ New funding for STAC for parking initiatives that revolve around students
 - ◆ On Demand Safe Cart Rides on campus will be expanded to 2am Monday-Friday
 - ◆ Grocery Shuttle will be fully funded by this new referendum, (saving AS \$100k annually)
 - ◆ Will support electrification of UCSD busses
 - Special Election will most likely be called in Late January to enable ample time to negotiate contracts and finalize details prior to summer
 - ◆ Gage's thoughts: A much needed and necessary referendum, it is a vital resource for students at UCSD
- ❖ UNFINISHED BUSINESS
 - FINANCE ACTION ITEM: Approval of the 2024-2025 ASUCSD Executive Budget. Sponsored by Chief Financial Officer Hoang.(1)
 - **PASSED**
 - **25-0-0**
 - Budget Deficit (now that it has officially passed) is around \$551,600 – before the carry-forward so the overall deficit should be approximately \$390k
 - Senate will hear from the CFO Week 10 on solutions to make up for the deficit (here are the assumed options):
 - ◆ Pull entirely from Mandated Reserves, leaving AS with around \$600,000 left in our Reserves, of which \$444,000 would not be spendable
 - ◆ Use AS's Carryforward of \$165,000 and pull roughly \$387,000 from Mandated Reserves (leaving a much more healthy margin in our reserves should AS need more money at the end of the year to pull from)
- ❖ NEW BUSINESS

- LEGISLATIVE ACTION ITEM: Constitution: Judicial Board Hiring and Appointment Reform. Sponsored by Senator Tappin.

- https://docs.google.com/document/d/1TZdk98PwpKe4u0dGL_0S1raD00lAl6hlfXukDDwMquM/edit?tab=t.0

- **TABLED UNTIL WEEK 3: 12-5-4**

- Opposition from sponsors on tabling, wanted to be able to present it at the UC Regents meeting next week via UCSA
- The sponsors of this resolution will be contacting outside legal counsel to address the concerns raised by Senator Hellman from Muir, Off-Campus Senator Bautista, and smaller comments by the AS Clerk
- Personal thoughts/opinions:
 - ◆ Gage: While this legislation has good intentions, I feel it is burning more bridges with administration through harsh and oftentimes not factual language
 - ◆ Nic: I agree with the sentiment of the resolution since students on our campus voiced the same opinion and RCC signed onto a vote of no confidence against Chancellor Khosla for the same reason; however, I voted to postpone just to ensure the resolution doesn't constitute libel and to ensure the Association is legally safe from any lawsuit from the university based on false statements, etc.

- **SHWAB Representative [Stephanie Venegas Solorio]**

- ❖ **SHWAB Events (Friday)**

- ❖ **SHWAB Meeting (1/24/25)**

- **NCHA Survey**

- **National College Health Assessment (NCHA)**

- lengthy but comprehensive survey sent out to a select sample of ~12,000 students in different colleges/universities
 - Used to gauge the well being of students (including gen. Health questions, sexual behaviors, birth control usage, fruit/veg intake, habits (alcohol, tobacco, vaping, etc.), and mental health q's (ex. Loneliness level))
 - Is set to be administered early spring

- **Main Dilemma: not many students participate (in the past, about 7-8% of students participated)**

- difficult to advertise, since only a select group of students receive the survey
 - Social media was suggested (like a flyer or something of the sort) - was not entirely turned down, but not very inclined (since its only to certain students)
 - Incentives:
 - ◆ Should there be a physical (items discussed: Owallas, Digi Cams, College Merch etc.), digital (ex. Amazon gift cards), or mix of both as a prize?
 - ◆ Leaned towards mix of both
 - ◆ Discussion of whether there should be a giveaway of a big/expensive item, but also have a guaranteed prize for all who participate (ex. \$5 gift card)
 - ◆ Still a WIP, but if you have suggestions I could bring up at the next meeting, please let me know!!

- **Emergency Department Usage**

- **Misuse of the Emergency department :((**

- The price of UC Ship Premium increased because of inappropriate usage of the ED
 - Caused long waits (even up to a day's worth)
 - Determined by staff who categorized the conditions of each patient (critical, emergent, urgent, semi-urgent, urgent)
 - Students end up overpaying for their condition (urgent care co-pay vs ER co-pay)

- **Solutions:**

- UCSD SHS implemented a telehealth advice line: 859-534-3000 (press 2 to speak w/ RN)
 - ◆ (free to use no matter your insurance) to ask where to go or what care you can do to self-treat
 - Follow up line: After calling the advice line, a nurse will check up on you a few days later to make sure you got the care you needed/general check in

- **Dilemma: How do we get students to know these resources exist??**

- Creation of an easy to read infographic that can be

reposted on social media and printed/posted by ResLife and hung in common spaces or res halls/distributed to residents (*WIP*)

- Next Meeting: 2/14

❖ X. NEW BUSINESS

- FINANCE ACTION ITEM: Unfreeze of the Office of External Affairs' Financial Accounts. Sponsored by Chief Financial Officer Hoang.

- **PASSED (unfrozen)**

- **GAGE: Yes**

- **Reasoning:** After lots (and lots, and lots) of internal back and forth, I ultimately decided to unfreeze the VPEA's account, along with the majority of the Senate. While I wholeheartedly disagree with the action to buy flights prior to official university approval because there are severe consequences should this \$5k not be returned to A.S., I agree with the public comments that the External

office and the conferences it hosts and sends Senate to are beneficial to students if they are able to attend.

- That said, I am going to push very hard for new, stricter spending guidelines to be put on the offices who hold purchasing power as well as pushing for more administrative oversight.

- **NIC: Yes**
- **Reasoning:** After a lot of thought, I decided to vote in favor of unfreezing. While I had a lot of frustration and anger with the misuse of the funds, I believe we all make mistakes and it'd be the best course of action to work with the VPEA to establish much stricter guidelines and training for expenditures. I want to make it clear that I unequivocally disagree with the mishaps with buying the tickets before final approval. However, I will be pushing for much, much stricter guidelines alongside the rest of the Exec and Senate.

- ❖ Scheduling the second campus wide sustainability group
 - working with Layla to set up a newsletter or some sort of “drop your suggestions here”
- ❖ I wanted to voice how frustrating parking has been lately. And to see if this is just me or more people have been getting cited. I have received so many citations with little leniency and those \$80 citations add up
 - For example: 9:15 I park, 9:19 I walk up stairs and pay through parkmobile (wifi doesn't work so i have to go up stairs to pay), 9:17 I was cited
 - While U-Pass exists, the transit infrastructure and parking can't sustain the demands of its campus (looking at the ZERO student parking in 8th parking) and I truly do feel more preyed upon than ever
 - in related news, there's a public transit enthusiast club, trying to figure out their meeting times, see if they have ideas we can collab on
- ❖ Gearing up for Earth month!
 - Let me know if you have ideas for collaboration, trying to do many mini ones

 - TLDR: The Guardian –independent student-run newspaper that serves as a full UCSD department– is in a dire financial crisis and is facing closure at worst or major restrictions in their work at best. This is because they cannot sustain their current financial model –running ads in their newspaper and on distribution boxes. They are seeking a \$3.50 per-student per-quarter fee to achieve the following:

- Pay their editors and writers more equitably for the large workload they do
- Enhance operations
 - ◆ They distribute the newspaper from an old shopping cart right now
- Rehire a professional staff member to advise The Guardian
- Print more pages in their issues and return to weekly distribution, (current is biweekly)
- Fee must be passed before elections begin, GPSA will vote next Monday, AS timeline is undecided but desire is to move quickly

 - **SHWAB Representative [Stephanie Venegas Solorio]**
 - ❖ SHWAB Events:

- ❖ SHWAB Meeting (2/14) -> DENSE with Info (im so sorry)
 - CAPS Comprehensive Immersive Care Program
 - Relatively new program (as of a few weeks ago!)
 - In hopes to be an early intervention approach for students who are going through a crisis, about to go into a crisis, or receiving intensive care for their mental health
 - Is a student centered ecosystem with collaborations with campus partners (Craft Center, UCSD Academic Affairs, OSD, HDH, HPS, Rec Center, etc)
 - Students would remain enrolled whilst receiving this care to maintain their ability to achieve their academic goals and also keep their connection with friends/support systems to avoid isolating the student
 - Barriers to mental health
 - Transportation: How would the student be transported when/if they are going into a crisis?
 - Impact on academic schedule: How can they support a student, giving them intensive care, whilst also not affecting their academic schedule (financial aid disbursements and general academic achievements)
 - Fear of jeopardizing housing: ^^following the above topic and financial aid that is based upon units
 - "No time to waste": Because the quarter system is fast-paced, the thought of "not having time" to receive treatment may stop students from reaching out
 - Points of Contact (within 7 days)
 - Protocol: Call CAPS (if closed, urgent care providers who are licensed clinical therapists answer the call)
 - CAPS Urgent Care
 - CAPS Intake
 - Triton Core (which will be mentioned in a bit!)
 - Crisis Stabilization Unit
 - CMHP (College Mental Health Program: Offers more intensive therapy, groups, and psychiatric care (is off campus but is very close!))
 - Off Campus Therapist (to continue treatment but at a less intense state)
 - 3 Months Later- CAPS Wellness Check
 - Program Overview:
 - Skills Based Group: 3hrs/week, open group, CBT, DBT, ACT, and Trauma Informed Care
 - Individual Therapy: 1hr/week, Crisis Stabilization
 - Self Guided Tech: 1 hr/ week, Willo, Headspace, etc.
 - Behavioral Activation: 1 hr/week, Craft Center, Rec Center, Tritons RISE
 - CIC Inclusion Criteria (in the last 3 months)
 - Thoughts of suicide (from no intention to actual planning)
 - Self-Harm (urges/no medical attention needed)
 - Trauma (traumatic event, recent trigger, or returning of

symptoms)

- Academic Decline w/ feelings of hopelessness/little to no sense of belonging, burdensome

■ Extra Mentions:

- The CIC collaborates with UCSD Housing to not jeopardize student's housing. And the CIC works with OSD to help with classes/accommodations
- In the CIC program, students will be enrolled at least part time, so the student will still be in classes (assignments/exams)
- Concern was brought up: difficulty to get accommodations (with OSD and faculty) therefore students rely on profs empathy (causing a barrier/deterrant for students to reach out)
 - ◆ However it was also mentioned that CIC will have a connection w/ OSD to expedite accommodations
- Students may keep their full time status with financial aid protection too. A typical Intensive Outpatient Program is 9 hrs. The CIC is 6 hrs so that students do not have to drop, for the most part, to part-time status.
- If anyone has any suggestions, questions, concerns, or ideas for improvement to the program, let me know!

➤ Triton CORE

■ Purpose/Goal

- Provide mobile crisis response: For students who are going through a crisis and need to be taken to emergency services/safety
- Access for student well-being and safety
- Reduce visits to ED: to reduce escalation (slow things down)
- Facilitate de-escalation: ^^
- Provide a person-centered response: Get to know the student in need rather than a generalized protocol (whilst doing risk assessment)
- Reduce risk of arrest

■ Service is Mon-Fri, 10am-10pm

■ Services in English, Spanish, Cantonese, and Mandarin

■ Contact: UCPD Non-Emergency- (858)-534-HELP (4357)

■ Estimated response time: 30-40 min (which is fairly quick for what they want to achieve!)

■ Set to add on 3 new clinicians!

■ Responds to

- Suicidal Ideation/Self Harm (no imminent risk)
- Consultation for unique cases
- Alcohol and/or Substance use related concerns
- Major changes to appetite, sleep, and class attendance
- Disoriented, delusional thinking, mania, or unusual behaviors
- Homocidal ideation/Threat (no imminent risk)

■ Services include:

- Consultation
 - ◆ Triaging appropriate tiered response model
 - ◆ Review student eligibility for care
- Wellness Checks
 - ◆ In-person wellness check
 - ◆ Safety Planning
 - ◆ With ROI, coordination of care
- Mobile Response
 - ◆ Provide transportation to the ED/ CSU
 - ◆ With ROI, coordination of care
- Postvention
 - ◆ Psychological first aid to impacted student(s)
 - ◆ Linkage to campus resources

- Concern brought up:
 - Students who do not have UC Ship, but rather their guardian's/family insurance could risk a breach of confidentiality if the student does not want their family to know about the usage of this service
 - ◆ They are currently working with UC and CSU to find a solution to this, but they did mention that they would advocate for the student on their behalf to family (to avoid harm/retraumatizing/triggering student)
- All is funded with student fees
- Student Mental Health Services Fee Revenue and Expenses
 - Created by students in 2020 (mental health fee)
 - Funds:
 - 13 positions in CAPS (Full Time)
 - 2 positions in HPS
 - 29% goes to Fin Aid to offset impact on students
 - Rest goes to SHWAB Cluster
 - Budget Breakdown (Fiscal Year 23-24):
 - Student Mental Health Fees (\$35.71/student): \$4,333,326
 - 29% to FinAid: \$1,256,579
 - Total SHW Resources: 3,076,746
 - Compensation Expenses
 - ◆ CAPS Positions: 3,109,666 [12.8 FTE, 4.8 Social Workers, 8.0 Psychologists]
 - ◆ HPS Positions: 219,697 [2.0 FTE Health educators]
 - Non-Compensation Expenses:
 - ◆ CAPS: 33,462
 - ◆ Health Promotion Services: 3,635
 - ◆ Campus Assessment Costs: 53,151
 - Total SHW Expenses 3,419,612
 - Net Position: 342,866 (deficit was covered by balance of prior year balance)
 - SHWAB Voting Decision
 - They spoke about a potential vote for the next meeting as they are looking to increase the student fee by 4% (+1.49/quarter = \$38.63/quarter/student)
 - Why 4%?: Any increase larger than that would require a full student referendum vote and SHWAB is limited to a max increase of 4% annually
 - Are there any concerns about this increase? Let me know and Ill bring it up :)
- Other:
 - We were going to talk about Scooter Saftay, however, that section was skipped as there was some discussion revolving around the above topics

- I want to encourage people who have not submitted a positive moment to do so! :D (please it makes me very happy)
 - FAQ
 - Do I need a picture to post my positive?
 - ◆ Nope! :D only if youd like to!
 - Where's the link?
 - ◆ It will always be at the end of my report and posted on the discord on Wednesday! But its the same link every time (so bookmark it if youre a super fan)
 - I have a positive moment, but dont want to share it, what do I do?
 - ◆ You can still submit a positive! Treat it like a journal that holds all the happy moments youve had in the past! There's an option to not share the positive moment, so truly it's like putting it in a box and tucking it away :)
 - I have a suggestion for you to make RCCP better (or just a silly message I wanna send you)! What do I do?
 - ◆ YAY OMG RCCP is always changing and improving! Use the RCCP form, put your name, and write your suggestion in the very last question! (no need to put a positive, you can just submit a suggestion if you want, also I love the silly notes <3)

A. **President [Grace Constantian]**

❖ LCC:

- The College Affairs Grant Funding Application is open. If you would like to fund your event with this grant the only requirement is to fill out an application and make sure there is some collaborative aspect to your event. You can collaborate with other councils, clubs, or revelle organizations to qualify

https://docs.google.com/forms/d/e/1FAIpQLSelbXhOnmwIeClqf5sOgdG7bTscOp7HVU_FL1R2RBj4N0uPLQ/viewform?usp=preview

Want to apply for Office of College Affairs Funding?

Follow these steps to submit your request! The office has two main funding pathways: (1) College Council Event Fund (CCEF) and (2) Grant Program

COLLEGE COUNCIL EVENT FUND PATHWAY:

- ☐ Requirements: Event must be a collaboration between one college council and another entity. May be a class, other council, student organization, or campus department.
- ☐ Email itemized budget, event description, and funding request amount to ascollgeaffairs@ucsd.edu. The AVP of College Affairs (Ryan) will email back to confirm submission and will put it on the agenda for the next LCC meeting.
- ☐ LCC will vote on whether or not to approve the request. If a majority vote yes, the AVP of College Affairs will reach out to you via email for Chart of Account Information.
- ☐ Money transfers take about two weeks, so provide your COA information as soon as possible. Then, enjoy your event!

GRANT PROGRAM:

- ☐ Requirements: Same as CCEF but may also be applied to initiatives across councils. Does not have to be a one time event.
- ☐ Fill out Grant Program Application Google Form: <https://forms.gle/EA8eDvnNkVz1RegU6>
- ☐ Within one week, the grant program steering committee will vote on your request. If approved, the same COA procedure detailed above will take place. Have a great event/initiative!

Your quote and photo would be used to inspire others to support the Library's mission.

- ❖ Pes:
 - We will be meeting tomorrow at 4pm on zoom
- ❖ Revelle Voting Booth was fairly successful with many students voting at the booth so they could get a cupcake
- ❖ Had a meeting with RCC advisors and discussed how we can make programming easier moving forward. One solution that was proposed is emphasizing in the bylaws what a program is. At the moment most RCC members fulfill their programming requirement through events, but moving forward I would like to emphasize that there are other ways of fulfilling this requirement such as creating informational bulletin board for RAs, videos series spotlighting revelle students (shoutout Rafa and Topher), doing more advocacy work in the form of surveys (shoutout Maddie) and open forums. The goal is to both make programming easier and also transition RCC to be a governing body and advocacy group instead of being a programming board. If you are only interested in programming I recommend joining SIP. This solution will be developed within the rules committee and will be implemented before Week 5. The second part of this plan is to specify duties for Revelle voting members to include outreach and advocacy work. This will also be developed in rules committee.
- ❖ On Monday I will be beginning to work on creating and organizing RCC historical documents within the binders we have. These binders will include past minutes and past event programming documents. If there is anything else you would like added to the binders please let me know.
- ❖ Thank you to Dean Sherry, Wesley, Chris and Caren for attending the All College Panel, it was nice to see some friendly faces in the crowd.

- F. **Associated Students Revelle College Senators [Gage Mowrey, Nicholas Tappin]**
 - ❖ Senator Notes:
 - Senate Rating:
 - Gage: 8/10, weird set-up in Price East Ballroom because of a potential protest that never ended up showing
 - Nic: 8.5/10, a lot of open space so the meeting felt weird but the meeting was effective and moved quickly
 - Elections update from Election Manager Mowrey (insert hat switch):
 - Just as a fun little TL:DR of the Election Committee backend, we have had so many grievance submitted today against two particular AS-wide slates for improper campaign protocols, which is causing us to hold an emergency grievance hearing, so if you have not voted, I encourage you to look to see if a slate has warning symbols next to their affiliation stating they've broken campaign rules
 - On a more positive note, I am proud to say we have not had a single Revelle issue for our elections!! Good job candidates!

However, you have the right to remain silent if your answer to a question could be used against you in a criminal case.
 - You have the right to a lawyer, but the government does not have to provide one for you. If you do not have a lawyer, ask for a list of free or low-cost legal services.
 - You have the right to contact your consulate or have an officer inform the consulate of your detention.
 - Do not sign anything, such as a voluntary departure or stipulated removal, without talking to a lawyer. If you sign the document, you may be giving up your opportunity to try to stay in the U.S.
 - Keep a copy of your immigration documents with someone you trust.

With the ups and downs of this entire year, we cannot possibly think of anyone else we would have wanted to work with and serve than all of you. It has been a major learning experience for us both on conflict resolution, teamwork skills, networking and building connections, which we could not have done without Council's support! We wish Christina and the next Council the best of luck in future endeavors, so with a final Roger That Y'all, we bid you adio!
