 - ❖ Senate Updates
 - COMMITTEE REPORTS
 - Finance Committee
 - Finance Committee approved the release of our carry-forwards (\$165k) and a pull from our Mandated Reserves (\$445k) to get A.S. out of our "debt" that would accumulate with our current budget
 - ◆ Will still have \$512k ish left in our Mandated

Reserves that we can pull from for the rest of the year

➤ UNFINISHED BUSINESS

- **PASSED**

- **[ADDED DURING MEETING] ACTION ITEM:** Resolution On the Condemnation of Interim Campus Policies and Re-affirming Academic Senate's Obligation to Protect Student Free Speech Rights

- https://docs.google.com/document/d/1TZdk98PwpKe4u0dGL_0S1raD00lAl6hIfXukDDwMquM/edit?tab=t.0

- **TABLED UNTIL WEEK 3: 12-5-4**

- Opposition from sponsors on tabling, wanted to be able to present it at the UC Regents meeting next week via UCSA
- The sponsors of this resolution will be contacting outside legal counsel to address the concerns raised by Senator Hellman from Muir, Off-Campus Senator Bautista, and smaller comments by the AS Clerk
- Personal thoughts/opinions:
 - ◆ Gage: While this legislation has good intentions, I feel it is burning more bridges with administration through harsh and oftentimes not factual language
 - ◆ Nic: I agree with the sentiment of the resolution since students on our campus voiced the same opinion and RCC signed onto a vote of no confidence against Chancellor Khosla for the same reason; however, I voted to postpone just to ensure the resolution doesn't constitute libel and to ensure the Association is legally safe from any lawsuit from the university based on false statements, etc.
