 - b. Will update at next week's council meeting
- ❖ **NEW BUSINESS**
 - Discussion: 2024 -2025 UCSD Changes to Geisel Library Hours & Other Funding Allocations to School Services. Sponsored by: Sen. Bautista, Sen. Zhu.
 - Sen. Bautista:
 - pending request about specifics of budget cuts
 - inquisition is in regard to why specifically hours were cut in the grander context of a decreased state budget

- VPE Tabia-Jr Urbietta
 - Gave context from External office about bills being held up in CA legislature
 - Khosla delegates budget cuts to the VCs and Department Chairs
 - UCOP hands down budget cuts from the State
 - UCSD does not have a budget deficit but the state budget cuts are separate whereby they impact all campuses
- President Vallejo-Avila
 - Believes VPAA has distinct focus on this issue and should coordinate in efforts to keep the library open longer
- Sen. Zhu:
 - Would like to reach out to alternative spaces for students to be able to access, like the resource centers or create a program through Senate to keep study spaces open
- Sen. Garcia:
 - Would like to highlight other 24 hour spaces on campus as well
- Sen. Zapata-Castillo:
 - Ditto to Sen. Zhu's and Sen. Garcia's point, suggested collaboration on doing research to find alternative methods to keep spaces open
- Action: [Resolution on the Summer Bridge & Mentor Collective Merger and Collaboration](#). Sponsored by Sen. Tappin, Sen. Zapata-Castillo, and President Vallejo-Avila.
 - Resolution opposing the merger of the Mentor Collective and the Summer Bridge program
 - Mentor Collective: volunteer based, students are paired with an older student to foster their leadership skills and learn how to enter into and build community at UCSD
 - Summer Bridge: paid student interns are paired with an entering freshman, typically low-income students or first-gen, who is taking a Summer Session class prior to their first year and help them establish themselves at UCSD
 - Discrepancy comes from the fact that:
 - ◆ Summer Bridge pays their interns, Mentor Collective does not
 - ◆ Summer Bridge is more academic focused, Mentor Collective focuses on a students' emotional wellbeing
 - ◆ Summer Bridge professional staff are being told to start finding other places of employment
